INTRODUCTION

On March 20, 2023 (“Petition Date”), The Litigation Practice Group P.C. (“Debtor”) filed a voluntary petition under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (“Bankruptcy Code”),² which commenced the above-referenced bankruptcy case (“Bankruptcy Case”).³ On May 8, 2023, the Office of the United States Trustee (“U.S. Trustee”) appointed Richard A. Marshack (“Trustee”) to serve in a fiduciary capacity as the chapter 11 trustee of the Debtor’s Estate. On June 23 and 29, 2023, the U.S. Trustee appointed a seven-member Official Committee of Unsecured Creditors of the Litigation Practice Group P.C. (the “Committee”) to represent the general interests of unsecured creditors in the Bankruptcy Case.

On June 14, 2024, the Trustee and the Committee filed the *First Amended Joint Chapter 11 Plan of Liquidation (Dated June 14, 2024)* [Docket No.1344] (“Plan”).⁴ The Trustee and the Committee are referred to, collectively, as the “Plan Proponents” because they have jointly submitted the Plan. This document is the disclosure statement (“Disclosure Statement”), which describes the Plan.

A. The Purpose of This Document

The Plan is intended to establish the framework for the liquidation of the Debtor’s assets and the process and priority for distribution of those assets to Holders of Claims and Interests. SUMMARY OF THE DEBTOR AND THE BANKRUPTCY CASE

The following is a brief summary of the background of the Debtor, the events leading to the commencement of the Bankruptcy Case, and significant events since the filing of the Bankruptcy Case. Given limitations on the Plan Proponents access to certain information prior to the appointment of the Trustee, certain of the background information is based on the information and belief of the Plan Proponents. This Disclosure Statement includes descriptions of facts that may be subject to litigation. Nothing contained herein shall be construed as an admission or waiver with respect to such litigation and is provided here solely for the purposes of adequate disclosure of facts or circumstances known or understood by the Plan Proponents as of the filing of this Disclosure Statement.

A. Overview of the Debtor and the Debtor's Prepetition Business Operations

1. The Debtor and Its Prepetition Management

The Debtor is a professional corporation organized under the laws of the State of California with its principal place of business in Tustin, California. As of the Petition Date, the Debtor operated as a law firm that provided consumer debt validation services to its clients.

Tony M. Diab (“Mr. Diab”), and his disbarment in California and Nevada, was the direct cause of the Debtor’s formation. On January 14, 2019, the Supreme Court of the State of Nevada entered an order disbaring Mr. Diab from the practice of law in Nevada. The Nevada disbarment order related to significant misconduct, including stealing a \$375,000 client settlement payment, forging client retainer agreements to conceal the conversion of client funds, and forging the signature of a judge on a falsified order. On February 7, 2019, the State Bar of California entered default

1 against Mr. Diab on similar claims in a pending California proceeding and ordered that Mr. Diab's
2 law license be placed on involuntary inactive status. Mr. Diab was subsequently disbarred from the
3 practice of law in California on January 10, 2020.

4 The Debtor was incorporated in California on February 22, 2019. The timing is noteworthy:
5 the incorporation occurred less than a month after Mr. Diab's Nevada disbarment and two weeks after
6 Mr. Diab's law license was placed on involuntary inactive status in California. The Trustee alleges
7 that the Debtor was formed to conceal the transfer and continuation of Mr. Diab's preexisting debt
8 resolution practice notwithstanding his inability to practice law.

9 The Trustee has further alleged that the Debtor's named management served as a shill to
10 permit Mr. Diab to continue *de facto* control over business operations despite no longer holding a
11 license to practice law. John Thompson ("Mr. Thompson") was the original, sole shareholder and
12 managing partner of the Debtor between February and November 2019. Daniel March ("Mr. March")
13 took assignment of Mr. Thompson's ownership in the Debtor in November 2019, and served as the
14 sole shareholder and managing partner of the Debtor until the appointment of the Trustee (discussed
15 below). In each instance, the Trustee alleges that Mr. Diab effectively "rented" the law licenses of
16 Mr. Thompson and Mr. March, neither of whom exercised any actual management or control over
17 the Debtor. During this time, Mr. Diab impersonated Mr. March and Mr. Thompson, forged Mr.
18 March's signature on documents, and purportedly provided legal advice to clients of the Debtor.

19 **2. The Debtor's Prepetition Business Operations**

20 **a. The Services Provided to Clients under the LSAs**

21 Prepetition, the Debtor serviced more than 50,000 consumer clients across the United States
22 with an estimated annual revenue of \$150 million in 2022. Generally, the relationship between the
23 Debtor and its consumer clients was governed by a legal services agreement (an "LSA") that
24 established an attorney-client relationship between the parties. Consumer clients signed one of
25 multiple LSA versions that describe the services provided as follows:

26 [The Debtor] will provide debt validation services wherein it will assist
27 you in removing erroneous or inaccurate information appearing on one
28 or more of your credit reports by contesting debts appearing therein.
This service is limited to information reported by creditors or purported
creditors to credit bureaus. The purpose of this program is to challenge

1 the legal validity of debts appearing on or being reported to credit
2 bureaus...

3 Other iterations of the LSA offered itemized lists of the services provided, including: (i) assisting
4 clients in efforts to stop creditors and debt collectors from harassing or contacting the client in
5 connection with specific debts; (ii) disputing the legal validity of specific debts; (iii) assisting clients
6 in removing erroneous or inaccurate information reported on specific debts; (iv) representing clients
7 in lawsuits filed against the client concerning specific debts; (v) initiating legal action on behalf of
8 clients against creditors violating applicable federal or state law with respect to certain debts; and
9 (vi) determining a client's eligibility for bankruptcy and the effects of a bankruptcy filing.

10 The Debtor provided services under the LSA by limiting the degree of customized services to
11 clients to the greatest extent possible. By way of example, LPG utilized software licensed by
12 DebtPayPro and, ultimately, a less-efficient proprietary software known as LUNA, to automate the
13 debt dispute resolution process, facilitate client communications, and track payment information.
14 These systems generated automated and generic template correspondence to creditors, collection
15 agencies, and credit bureaus to challenge or dispute debt. In some cases, these programs resulted in
16 correction of incorrectly reported debt, successful challenges based on consumer protection laws, and
17 debt settlement. In limited circumstances, the Debtor utilized in-house or third-party attorneys to file,
18 or defend against, lawsuits on behalf of consumer clients.

19 **b. The LSA Payment Terms and Estimated Revenue**

20 The LSAs required that clients agree to a predetermined payment plan that required clients to
21 pay fees monthly to the Debtor over an 18-to-30-month term. Under the LSAs, the fees were earned
22 immediately upon receipt by the Debtor. The monthly fee installments were often automatically
23 debited from client bank accounts by ACH transfer. The Debtor utilized the services of ACH
24 processing companies—many of which were owned or controlled by Mr. Diab—to process the
25 monthly ACH draws from client bank accounts. Prepetition, the Debtor's monthly gross revenue
26 from monthly fee payments was estimated to range from \$8.4 million to \$11.2 million, and, as of the
27 Petition Date, the Trustee believes that monthly gross revenue from client accounts exceeded \$15
28 million.

1 **c. The Debtor's Internal and Third-Party Marketing Affiliates**

2 The Debtor utilized both in-house and third-party marketing affiliates to obtain consumer
3 client referrals on a massive scale. The Debtor's "in-house" marketing efforts were operated through
4 an entity called Coast Processing, which was acquired by Mr. Diab in 2021 and was purportedly
5 "merged" into the Debtor's operations despite Coast Processing's previous dominion and control over
6 the Debtor prior to Mr. Diab's acquisition. The Debtor also utilized a network of over 100 third-party
7 marketing affiliates to purchase referrals. In each case, the Debtor acquired potential client data
8 through in-house or third-party efforts that identified victims of predatory lending, significant debt
9 potentially subject to challenge, and other methods. Rather than pay for these referral lists upfront,
10 the Debtor paid third-party marketing affiliates a percentage of collections earned from referred
11 clients through revenue generated from those clients during their engagement with the Debtor. The
12 marketing affiliates' practices were dubious at best and, included direct solicitation and referral of
13 clients (which may have violated the rules of professional conduct governing licensed attorneys in
14 multiple jurisdictions). Additionally, in some circumstances, the marketing affiliates would assist
15 with the execution of an LSA between the Debtor and a consumer client.

16 **B. The Circumstances Leading to the Filing of the Bankruptcy Case**

17 The Trustee alleges that Mr. Diab, and a series of co-conspirators, orchestrated and
18 implemented a scheme to fraudulently transfer client files, and the related receivables, to third parties.
19 The series of prepetition transactions involving the Debtor, Mr. Diab, Mr. Diab's co-conspirators, or
20 their affiliates include the following:

- 21 • Repeatedly either selling, or utilizing as collateral, the same accounts receivable from
22 the same client files to factoring companies, other lenders, or investors;
- 23 • Transferring client files to third parties selected by Mr. Diab, or his co-conspirators,
24 and such transfers of client files were made for inadequate or no consideration without
25 consumer client consent;
- 26 • Intercepting ACH draws from client accounts under the LSAs and diverting the funds
27 collected to the fraudulent transferees; and

- 1 • Causing the fraudulent transferees to initiate redundant or duplicative, and
2 unauthorized, ACH draws against consumer client accounts.

3 The foregoing transactions, among others, siphoned substantial assets from the Debtor. The Debtor
4 also entered into a series of purportedly secured borrowings, sales, and investments on unfavorable
5 terms to finance the Debtor's operations and pay fees owed to the Debtor's marketing affiliates that
6 the Debtor's cash flow from accounts receivable were unable to sustain.

7 Creditors and clients became increasingly aware of the Debtor's misconduct, orchestrated by
8 Mr. Diab and his co-conspirators. By way of example, between late April 2023 and May 2023,
9 entities to which the Debtor impermissibly transferred client files began receiving significant client
10 complaints related to duplicative or fraudulent ACH draws against their personal accounts. Other
11 creditors who expected more significant payments under the terms of their agreements began filing
12 lawsuits to enforce their asserted rights against the Debtor. On March 10, 2023, a California state
13 court in one such lawsuit ordered the appointment of a receiver. The Debtor filed the Bankruptcy
14 Case, in part, to frustrate the appointment of the receiver.

15 **C. Significant Events During the Bankruptcy Case**

16 **1. Motions to Dismiss or Convert the Bankruptcy Case and Appointment of the**
17 **Trustee**

18 On March 30, 2023, the Office of the United States Trustee filed a motion [Docket No. 21]
19 (the "U.S. Trustee Dismissal Motion") to dismiss the Bankruptcy Case or convert the Bankruptcy
20 Case to a case under chapter 7 of the Bankruptcy Code. Although filed only shortly after the
21 Bankruptcy Case, the U.S. Trustee observed that the Debtor had already failed to comply with a litany
22 of reporting requirements, including: (i) failure to provide proof of insurance; (ii) failure to provide
23 evidence the Debtor closed its prepetition bank accounts or the opening of postpetition, debtor-in-
24 possession bank accounts at authorized depositories; (iii) failure to provide required disclosures
25 concerning real property, cash flow, required certificates and licenses, income tax returns, financial
26 statements, employee benefits, insiders; and (iv) failure to provide evidence that the petition was
27 recorded.

28

1 On April 19, 2023, Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund
2 2, LLC collectively filed a motion [Docket No. 44] (the “Creditor Dismissal Motion”) to dismiss the
3 Bankruptcy Case or, in the alternative, convert the Bankruptcy Case to a case under chapter 7 of the
4 Bankruptcy Code or appoint a chapter 11 trustee. The Creditor Dismissal Motion was premised on
5 allegations the Debtor engaged in a prepetition pattern of dissipating its assets to affiliates or insiders
6 for less than fair value in a scheme to hinder, delay, and defraud creditors. The Creditor Dismissal
7 Motion also alleged that the Debtor filed the Bankruptcy Case, in part, to frustrate efforts to obtain
8 appointment of a receiver in state court.

9 On May 4, 2023, the Bankruptcy Court entered an order [Docket No. 58] granting the U.S.
10 Trustee Dismissal Motion and ordering the appointment of a chapter 11 trustee. On May 15, 2023,
11 the movants withdrew the Creditor Dismissal Motion.

12 On May 8, 2023, the U.S. Trustee filed a notice of appointment [Docket No. 62] of Richard
13 A. Marshack as the chapter 11 Trustee and the Trustee accepted [Docket No. 63] the appointment.
14 On May 8, 2023, the Bankruptcy Court entered an order [Docket No. 65] approving the appointment
15 of the Trustee.

16 **2. Appointment of the Committee**

17 On June 13, 2023, the Trustee filed an emergency motion [Docket No. 102] (the “Ad Hoc
18 Committee Motion”) to permit the Trustee to enter into an expense reimbursement agreement with
19 an *ad hoc* committee intended to advance the interests of all consumer client claimants. The U.S.
20 Trustee objected [Docket No. 127], in part, on the grounds that the U.S. Trustee was in the process
21 of re-soliciting creditor interest in serving on an official committee of unsecured creditors. On June
22 26, 2023, creditor Carolyn Beech objected [Docket No. 144] to the expense reimbursement motion.
23 On June 26, 2023, the Trustee, U.S. Trustee, and Carolyn Beech entered into a stipulation [Docket
24 No. 149] dismissing the Ad Hoc Committee Motion provided that the U.S. Trustee agree that a

Consistent with the Bankruptcy Court approved stipulation, the majority of the Committee's members are consumer client claimants.

5 **4. Postpetition Financial Reporting and Disclosures**

8 to dismiss the Bankruptcy Case in the event the deficiencies were not resolved.

10 unsecured claims. On April 4, 2023, the Debtor filed a corporate resolution [Docket No. 27]
11 authorizing the filing of the Bankruptcy Case, a corporate ownership statement [Docket No. 28], a
12 statement [Docket No. 29] of related cases, a disclosure [Docket No. 30] of attorney compensation,
13 a summary [Docket No. 32] of assets and liabilities, Schedules A/B, D, E/F, G, and H [Docket No.
14 33], a statement of financial affairs [Docket No. 34], and a list [Docket No. 36] of equity security
15 holders. On May 1, 2023, the Debtor filed an amended Schedule D [Docket No. 52], Schedule G
16 [Docket No. 53], an amended statement of financial affairs [Docket No. 54], and a monthly operating
17 report [Docket No. 55] for the month ended March 31, 2023. Based on the Plan Proponent's review,
18 the Plan Proponents believe that the financial disclosures filed by the Debtor are incomplete,
19 unreliable, and otherwise of limited value for purposes comprehensive assessment of the Debtor's
20 financial condition on the Petition Date.

21 The Trustee has provided financial disclosures following his appointment. The Trustee
22 initially filed declarations [Docket Nos. 112, 184] in lieu of filing monthly operating reports, which
23 cover the months ending April 30, 2023, through June 30, 2023. The Trustee subsequently filed

25 which, as of the date of this Disclosure Statement, cover the periods ending April 30, 2023, through
26 January 31, 2024.

1 **5. The Injunction Action**

2 **a. The Complaint, Preliminary Injunction, and Amended Complaints**

3 On May 25, 2023, the Trustee filed a complaint [Adv. Docket No. 1] initiating the adversary
4 proceeding captioned *Marshack v. Diab, et al.*, Adv. Proc. No. 8:23-ap-01046-SC (“Injunction
5 Action”). As set forth more fully in the complaint, the Trustee filed the Injunction Action, *inter alia*,
6 to enjoin the transfer or dissipation of assets of the Debtor, recover assets transferred pursuant to
7 certain avoidable or fraudulent transactions, and obtain turnover of certain Debtor assets not in the
8 possession, custody, or control of the Debtor. The Injunction Action relates primarily to the scheme,
9 implemented by Mr. Diab, his co-conspirators, and their affiliates, to fraudulently or otherwise
10 impermissibly transfer assets of the Debtor discussed more fully herein.

11 On May 25, 2023, the Trustee filed an emergency motion [Adv. Docket No. 4], *inter alia*,
12 seeking turnover of certain estate property, a preliminary injunction, lock-out of certain parties from
13 accessing certain estate property, and related relief. The motion and related papers [Adv. Docket
14 Nos. 3-8] included requests for immediate turnover and preservation of critical operating information,
15 client information, accounts, ACH processing accounts, bank accounts and client funds. On June 23,
16 2023, the Bankruptcy Court entered an order [Adv. Docket No. 70] granting the motion.

17 On June 15, 2023, the Trustee filed a first amended complaint [Adv. Docket No. 62] primarily
18 to correct the spelling or entity designations of named defendants and add other defendants. The
19 following defendants filed answers to the first amended complaint, but not the second amended
20 complaint: Tony Diab [Adv. Docket No. 134]; and Scott Eadie [Adv. Docket No. 241].

21 On October 13, 2023, the Trustee filed a second amended complaint [Adv. Docket No. 226].
22 The following defendants filed answers to the second amended complaint: Greyson Law Center PC

25 314]; Eng Taing [Adv. Docket No. 326]; Touzi Capital, LLC [Adv. Docket No. 327]; Worldpay
26 Group and Worldpay, LLC [Adv. Docket No. 395]; and Fidelity National Information Services, Inc.
27 dba FIS [Adv. Docket No. 396].
28

1 **b. Motions to Dismiss the Injunction Action**

2 On November 3, 2023, defendants, Eng Taing and Touzi Capital, LLC, filed a motion [Adv.
3 Docket No. 265] to dismiss the second amended complaint in the Injunction Action. On December
4 22, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 299] denying the Eng Taing and
5 Touzi Capital, LLC motion to dismiss.

6 On December 22, 2023, defendants Rosa Bianca Loli and Lisa Cohen filed motions [Adv.
7 Docket Nos. 300, 301] to dismiss the second amended complaint in the Injunction Action. On March

9 **c. Voluntary Dismissals of Defendants to the Injunction Action**

11 prejudice, of defendant, the United States Parcel Service.

13 prejudice, of defendant, Phoenix Law Group, Inc.

14 On October 6, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 221] approving
15 a stipulation to dismiss without prejudice defendants, Gallant Law Group, PC and Center Pointe Law,
16 PC.

18 approving a stipulation to dismiss without prejudice defendants, Han Trinh and Jayde Trinh.

19 On November 11, 2023, the Trustee filed a notice [Adv. Docket No. 270] of dismissal, without
20 prejudice, of defendants, Occams Advisory, Inc., Teracel Blockchain Fund, LLC, Chris Winslow,
21 B.A.T., Inc. d/b/a Coast Processing, Guardian, Maverick Management, LLC, Eng Tang, WorldPay,
22 Inc., William Taylor Carss, and Maria Eeyah Tan.

23 On January 30, 2023, the Trustee filed a notice [Adv. Docket No. 372] of dismissal, without
24 prejudice, of defendants, Jake Akers and Authorize.net.

25 On March 15, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 446] granting
26 the Trustee's motion [Docket No. 339] to dismiss without prejudice Marich Bein, LLC and
27 BankUnited, N.A. as defendants to the Injunction Action to permit the Trustee to file a new complaint
28

1 against the defendants in a separate adversary proceeding.

2 **d. Defaults Entered Against Defendants to the Injunction Action**

3 The Clerk of the Bankruptcy Court has entered defaults against the following defendants:
4 Vulcan Consulting Group, LLC [Adv. Docket No. 144]; Wes Thomas [Adv. Docket No. 145];
5 Seamless Chex, Inc. [Adv. Docket No. 153]; Teracel Blockchain Fund II, LLC [Adv. Docket No.
6 154]; Jake Akers [Adv. Docket No. 163]; BAT, Inc. d/b/a Coast Processing [Adv. Docket No. 164];
7 Jimmy Chhor [Adv. Docket No. 174]; Oakstone Law Group, P.C. [Docket No. 177]; Prime Logix,
8 LLC [Adv. Docket No. 179]; Revolv3, Inc. [Adv. Docket No. 180]; and Guardian Processing, LLC
9 [Adv. Docket No. 181]. As of the date of this Disclosure Statement, the Bankruptcy Court has not
10 entered default judgments.

11 **e. Settlements and Compromises of Claims Related to the Injunction Action**

12 On July 6, 2023, the Trustee filed a motion [Docket No. 176] in the Bankruptcy Case to
13 approve a stipulated judgment with Phoenix Law, PC (“Phoenix”) that, among other things, provides
14 a finding that the Debtor’s prepetition transfer of approximately 40,000 consumer client files to
15 Phoenix is avoided as a preferential or fraudulent transfer, and providing for the recovery of such
16 consumer client files and related material. The settlement agreement also provided for the dismissal
17 of defendants, William Taylor Carss and Maria Eeya Tan, without prejudice. On August 7, 2023, the
18 Bankruptcy Court entered an order [Docket No. 365] approving the settlement motion.

19 The Injunction Action remains pending as of the date of this Disclosure Statement.

20 **6. The Postpetition Financing Motions**

21 The Trustee requested postpetition financing to fund ordinary business operations of the
22 Debtor because the estate lacked adequate available cash to fund such expenses. Specifically, the
23 U.S. Trustee objected to the use of postpetition funds collected from consumer clients by ACH draws
24 and the estate lacked significant cash on hand as of the Petition Date. The Trustee contended that
25 maintaining the Debtor’s operations postpetition was necessary to preserve the going-concern value
26 of the Debtor in advance of any sale of the Debtor’s business.

27 On June 16, 2023, the Trustee filed an emergency motion [Docket No. 119] (the “First”
28

1 Financing Motion”) to obtain postpetition financing, on an unsecured, superpriority administrative
2 basis, from Resolution Ventures in the amount of \$800,000, including an initial advance of \$350,000
3 and a subsequent advance of \$450,000. On June 22, 2023, the Bankruptcy Court entered an order
4 [Docket No. 131] (the “First Financing Order”) approving the First Financing Motion on an interim
5 basis.

6 On June 29, 2023, the Trustee filed an *ex parte* notice [Docket No. 156] (the “Second
7 Financing Motion”) of an alleged nonmaterial modification to the promissory note by and between
8 the Trustee and Resolution Ventures, pursuant to the First Financing Order. The Second Financing
9 Motion indicated that Resolution Ventures had advanced \$240,000 of the \$800,000 loan amount prior
10 to entry of the First Financing Order; however, Resolution Ventures subsequently informed the
11 Trustee that it was unable to provide any further advances under the promissory note. The Second
12 Financing Motion proposed that the non-material modification would substitute Liberty Acquisitions
13 Group, Inc. (“Liberty”), an affiliate of Consumer Legal Group PC (“CLG”), as the lender for the
14 remaining \$560,000 balance of the approved, unsecured, superpriority administrative loan, and
15 repayable on a *pari passu* basis with the \$240,000 loaned by Resolution Ventures.

16 On June 29, 2023, the Bankruptcy Court set [Docket No. 158] an emergency hearing on the
17 Second Financing Motion. On July 3, 2023, the Bankruptcy Court entered an order [Docket No. 168]
18 (the “Second Financing Order”) authorizing, on an interim basis, the proposed loan from Liberty
19 Acquisitions Group, Inc.

20 On July 16, 2023, the Trustee filed an emergency motion [Docket No. 249] (the “Third
21 Financing Motion”) to obtain postpetition financing, on an unsecured, superpriority administrative
22 basis, from Resolution Ventures, in the amount of \$249,663.98, and from Liberty, in the amount of
23 \$249,663.98. On July 18, 2023, the Committee filed an objection [Docket No. 282] to the Third
24 Financing Motion, in part, on the grounds that the proposed, amended Liberty promissory note would
25 have impermissibly permitted Liberty to obtain immediate repayment of its postpetition loans from
26 the first sale proceeds received by the estate. On July 20, 2023, the Bankruptcy Court entered an
27 order [Docket No. 310] (the “Third Financing Order”) approving the Third Financing Motion on an
28

1 interim basis; provided, however, that Liberty would no longer provide the additional \$249,663.98 in
2 financing and would instead be replaced by PanAmerican Consulting Inc. without the immediate
3 repayment provisions in the Liberty note.

4 On August 21, 2023, the Bankruptcy Court entered orders [Docket Nos. 413, 414, 415]
5 approving on a final basis the financing authorized under the First Financing Order, the Second
6 Financing order, and the Third Financing Order.

7 **7. Motion to Approve Management Agreement**

8 On July 10, 2023, the Trustee filed a motion [Docket No. 204] to authorize the Trustee to
9 enter into a management agreement with Resolution Processing to provide the services of Russell
10 Squires and Gary DePew for \$60,000 for the first month of services, and \$40,000 per month for each
11 month thereafter, for no more than three months. The Trustee requested approval of the management
12 agreement to provide persons familiar with the business operations of the Debtor to maintain
13 operations until the closing of a sale. At the hearing concerning the sale, the Committee requested
14 that Russ Squires, serving in a representative capacity for bidder, Morning Law Group, resign from
15 his management position as of the July 20, 2023, bid. On August 21, 2023, the Bankruptcy Court
16 entered an order [Docket No. 412] approving the motion as modified on the record at the sale hearing.

17 On September 28, 2023, the Trustee filed a motion [Docket No. 545] to surcharge secured
18 creditor collateral, as applicable, to provide for the immediate payment of the management fee. The
19 Committee objected [Docket No. 557] on the grounds that the extent of secured creditor collateral
20 was not yet determined and that the order approving the management agreement only entitled Mr.
21 Squires to an administrative claim rather than ordinary course payment. The Committee also reserved
22 rights to the extent the payment was ultimately determined to come from unencumbered funds. On
23 October 27, 2023, the Bankruptcy Court entered an order [Docket No. 601] granting the surcharge
24 motion and authorizing payment of the management fee.

25 **8. The Morning Law Group Sale**

26 **a. Asset Sale**

27 On July 7, 2023, the Trustee filed a motion [Docket No. 191] (the “Sale Motion”) to approve
28

1 a sale of substantially all of the Debtor's assets. The Sale Motion sought approval of that certain
2 *Agreement of Purchase and Sale and Joint Escrow Instructions* by and between the Trustee and CLG
3 (the "CLG PSA"). Under the CLG PSA, CLG would purchase certain of the Debtor's assets for the
4 following consideration: (i) an \$8 million deposit; and (ii) a post-closing "earn-out," after deducting
5 a 20% administrative fee, calculated as (a) 20% of all amounts collected by CLG on "Active
6 Executory Contracts," and (b) 15% of all amounts collected by CLG on "Inactive Executory
7 Contracts." The CLG PSA included other provisions such as the appointment of an ethics compliance
8 monitor to ensure compliance with applicable regulations in the post-closing operations of the
9 Debtor's business.

10 On July 10, 2023, the Bankruptcy Court *sua sponte* entered an order [Docket No. 206]
11 requesting both briefing concerning the Sale Motion and optional supplemental briefing concerning
12 the Bankruptcy Court's authority to approve the sale in light of the Debtor's prepetition illegal
13 operations and the appropriate conditions and available post-sale reorganizations of any and all business
14 operations.

15 On July 17, 2023, the following parties filed supplemental briefing in accordance with the
16 Court's supplemental briefing order: Carolyn Beech and Diane Scarnavack [Docket No. 254]; CLG
17 [Docket No. 257]; the U.S. Trustee [Docket No. 259]; the Trustee [Docket No. 260]; the Committee
18 [Docket No. 264]; and Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2,
19 LLC [Docket No. 267]. The following parties filed responses to the pocket briefs: (i) the Committee
20 [Docket No. 292]; and (ii) CLG [Docket No. 307].

21 On July 19, 2023, the following parties filed responses to the Sale Motion: Affirma, LLC
22 [Docket No. 285]; Oxford Knox, LLC [Docket No. 287]; the National Association of Consumer
23 Bankruptcy Attorneys and National Consumer Bankruptcy Rights Center [Docket No. 288]; Alteryx,
24 Inc. [Docket No. 289]; Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2,
25 LLC [Docket No. 290]; Azzure Capital, LLC [Docket No. 294]; the U.S. Trustee [Docket No. 296];
26 OHP-CDR, LP [Docket No. 299]; and the Committee [Docket No. 300].

27 On July 20, 2023, the Trustee filed a reply [Docket No. 313] in support of the Sale Motion.
28

1 On July 21, 2023, the Bankruptcy Court held a hearing on the Sale Motion. At the hearing,
2 the Trustee sought approval of a revised and further negotiated form of the CLG PSA to which the
3 Trustee, the Committee, and CLG agreed. The hearing resulted in a competitive bidding process
4 between CLG, the Bensamochan Law Group, and Morning Law Group (“MLG”).

5 The bidding process resulted in the selection of MLG as the winning bidder, pursuant to that
6 certain *Agreement of Purchase and Sale and Joint Escrow Instructions* by and between the Trustee
7 and MLG [Docket No. 416] (the “Purchase Agreement”). The Purchase Agreement provided for the
8 transfer of certain of the Debtor’s assets to MLG. The purchase price was calculated as: (i) a deposit
9 in the amount of \$5.5 million; and (ii) an post-closing “earn-out” calculated as (a) 50% of all amounts
10 collected by MLG on “Active Executory Contracts,” and (b) 40% of all amounts collected by MLG
11 on “Inactive Executory Contracts.” The Estate was not entitled to receive earn-out payments until
12 MLG satisfied the financing it obtained to fund the deposit. At the hearing, the Trustee valued the
13 MLG bid and Purchase Agreement to be as high as \$84,490,990, based on certain pro forma
14 assumptions on the performance of the Active Executory Contracts and the ability of MLG to the
15 recover Inactive Executory Contracts. The actual amount to be received is estimated to be
16 substantially lower based on, among other things, MLG’s actual retention of active and inactive
17 executory contracts. As set forth more fully in this Disclosure Statement, the combined recovery
18 under the Sale Transaction, including the deposit, is estimated at approximately \$14.1 million.

19 On July 22, 2023, the Court entered a memorandum decision [Docket No. 320] approving the
20 Sale Transaction. On August 2, 2023, the Court entered an order [Docket No. 352] granting the Sale
21 Motion. The Sale Transaction closed on August 4, 2023.

22 **b. Appointment of the Monitor**

23 On August 7, 2023, the Court entered an order [Docket No. 363] appointing Nancy Rapoport
24 as ethics compliance monitor (the “Monitor”), pursuant to the Purchase Agreement and Sale Order.
25 The order of appointment provided that the role of the Monitor is strictly to monitor MLG’s
26 compliance with generally understood ethical standards and consumer protection obligations in its
27 going-forward business servicing the Debtor’s former consumer clients.

1 On November 27, 2023, the Monitor filed her first report [Docket No. 720] concerning MLG's
2 compliance with ethical obligations. On February 21, 2024, the Monitor filed her second report
3 [Docket No. 951] concerning MLG's compliance with ethical obligations.

4 The Monitor has filed monthly fee statements [Docket Nos. 524, 525, 567, 614, 748, 812,
5 813, 913, 915, 978] since her appointment. On November 13, 2023, the Bankruptcy Court entered
6 an order [Docket No. 661] approving a stipulation providing for payment of the Monitor through
7 funds held by MLG. On February 8, 2024, the Bankruptcy Court entered an order [Docket No. 928]
8 granting the Trustee's motion to surcharge secured creditor collateral, if any, to fund accrued fees of
9 the Monitor.

10 **c. Opt-Out Notice and Assumption and Rejection**

11 On August 16, 2023, the Trustee served [Docket Nos. 403, 404] a 90-day opt-out notice to
12 consumer clients whose LSAs were potentially subject to assumption and assignment, pursuant to
13 applicable California law. The opt-out notice and procedure were implemented in consultation with
14 the Trustee, Committee, Monitor, and MLG to comply with applicable law governing a sale of law
15 firm clients.

16 On September 8, 2023, the Trustee filed a notice [Docket No. 489] of potential assumption
17 an assignment of executory agreements, pursuant to the Purchase Agreement and Sale Order.
18 Following service of the notice, the Bankruptcy Court granted [Docket Nos. 523, 555, 927] several
19 motions to reject executory agreements, including LSA, pursuant to the terms of the Purchase
20 Agreement and Sale Order.

21 **d. Projected Recoveries and Potential Disputes**

22 The Plan Proponents project that recoveries under the Purchase Agreement will be materially
23 less than the top line projected estimate existing as of the time of the sale hearing, largely because:
24 (i) MLG encountered significant difficulty in maintaining the number of Active Executory Contracts
25 and; (ii) due to the Monitor's position concerning the timing within which MLG was permitted to
26 begin outreach and recovery of the Inactive Executory Contracts. Specifically, following detailed
27 financial analysis, the Plan Proponents believe that the ultimate recovery (excluding the deposit)
28

1 under the earn-out portion of the Sale Transaction will be approximately \$8.6 million. Accordingly,
2 the combined recovery under the Sale Transaction, including the deposit, is estimated at
3 approximately \$14.1 million. ***This projected recovery is subject to significant variables, including***
4 ***the success of MLG's continued efforts to retain additional former consumer clients, and may be***
5 ***subject to material change.*** For purposes of the Disclosure Statement, the assumption is that MLG
6 is unable to recover a material amount of the Inactive Executory Contracts.

7 The Plan Proponents and their financial advisors are working closely with MLG to monitor
8 MLG's performance under the terms of the Purchase Agreement and financial issues that may impact
9 the ultimate recovery to the Estate. In the course of these discussions, the Plan Proponents have
10 identified several potential points of dispute between the Estate and MLG concerning interpretations
11 of the Purchase Agreement, including: (i) the point at which MLG is required to begin remitting earn-
12 out payments to the Estate; (ii) the basis for the calculation of the earn-out; and (iii) the extent of any
13 applicable offset rights granted to MLG under the Purchase Agreement. The Estate continues to work
14 closely with MLG on these issues and, to the extent the Estate is unable to reach a resolution, the
15 Estate will retain all claims under the Purchase Agreement.

16 **9. The 3012 Motion**

17 On February 7, 2024, the Trustee filed a motion [Docket No. 924] to determine the amount
18 of secured claims, if any, held by: (i) Everyday Funding Group, (ii) Green Fund, (iii) World Global
19 Fund, (iv) MCA Capital Holdings, (v) StratCap Management, (vi) Cobalt, (vii) Cloudfund, (viii)
20 BMF, (ix) Kevlar, and (x) Franklin Capital. The motion provided that relief was appropriate, under
21 Bankruptcy Rule 3012, because each claim related to a UCC-1 financing statement that was not
22 terminated notwithstanding the Trustee's belief that the value of the underlying claim was \$0. The
23 Trustee also sought authority to file UCC-3 termination statements with respect to any creditor whose
24 claim was valued at \$0. None of the allegedly secured creditors subject to the motion filed responses
25 or appeared at the hearing on the motion. On March 13, 2024, the Bankruptcy Court entered an order
26 [Docket No. 1021] granting the motion, valuing the claims of listed secured creditors at \$0, and
27 permitting the Trustee to file UCC-3 termination statements with respect to such claims.

1 **10. Motions to Approve Compromises**

2 On February 16, 2024, the Trustee filed a motion [Docket No. 942] to approve a compromise
3 with Maverick Bankcard, Inc. The Trustee asserted that Maverick established a prepetition reserve
4 that held approximately \$628,343.18 as of the Petition Date and that Maverick has certain setoff or
5 recoupment rights with respect to refunds, chargebacks, or ACH returns incurred while processing
6 payments from the Debtor's consumer clients. Pursuant to the settlement, Maverick has agreed to
7 apply its setoff rights with respect to the reserve and release to the Debtor \$216,010.65, which is
8 attributable to the remaining reserve balance and an amount inadvertently withheld postpetition.

9 On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1027] approving a

19 proceeding captioned *The Litigation Practice Group P.C. v. Validation Partners LLC, et al.*, Adv.
20 Proc. No. 8:23-ap-01029-SC. The complaint sought to extend the automatic stay and enjoin certain
21 creditors that were pursuing prepetition litigation against the Debtor. On June 9, 2023, following the
22 Trustee's appointment, the Trustee filed a notice [Docket No. 5] of voluntary dismissal of the
23 adversary proceeding.

25 On September 11, 2023, OHP-CDR, LP and PurchaseCo80, LLC (collectively, the "OHP
26 Plaintiffs") filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned *OHP-*
27 *CDR, LP, et al. v. Marshack, et al.*, Adv. Proc. No. 8:23-ap-01098-SC (the "OHP Action"). In the
28

1 OHP Action, the OHP Plaintiffs seek determination of lien priority and the extent of their alleged
2 ownership interests in certain assets of the Debtor.

3 On October 13, 2023, the Trustee filed an answer and counterclaims [Adv. Docket No. 7] in
4 the OHP Action. On October 13, 2023, defendant Azzure Capital, LLC filed an answer [Adv. Docket
5 No. 10].

7 Trustee's counterclaims.

8 On February 21, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 26] setting a
9 pretrial conference and requiring the OHP Plaintiffs to submit briefing and evidence in support of
10 their secured status. On March 15, 2024, the OHP Plaintiffs filed a brief [Adv. Docket No. 37] and
11 related exhibits [Adv. Docket Nos. 36, 38-46]. The pretrial conference took place on April 22, 2024.

12 **c. The Secured Creditor Action**

13 On January 26, 2024, the Trustee filed a complaint [Adv. Docket No. 1] initiating the
14 adversary proceeding captioned *Marshack v. Bridge Funding Cap, LLC d/b/a Fundura Capital, et*
15 *al.*, Adv. Proc. No. 8:24-ap-01011-SC (the "Secured Creditor Action"). In the Secured Creditor
16 Action, the Trustee seeks, with respect to certain alleged secured creditors (the "Secured Creditor
17 Defendants"), (i) determinations of the validity, extent, and priority of certain Secured Creditor
18 Defendants' allegedly secured claims, (ii) avoidance, recovery, and preservation of certain secured
19 claims, and (iii) subordination with respect to certain Secured Creditor Defendants.

20 On February 7, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 10] setting a
21 pretrial conference and requiring the Secured Creditor Defendants to submit briefing and evidence in
22 support of their secured status. On March 15, 2024, the following Secured Creditor Defendants filed
23 briefs: Bridge Funding Cap, LLC D/B/A/ Fundura Capital [Adv. Docket No. 30] and PECC Corp.
24 [Adv. Docket Nos. 37, 38]. The Trustee entered into stipulations [Adv. Docket Nos. 35, 42] to extend
25 the briefing deadlines for MNS Funding, LLC, MC DVI Fund 1, LLC, MC DVI Fund 2 LLC, and
26 Debt Validation Fund II, LLC pending settlement discussions. The pretrial conference took place on
27 April 22, 2024.

1 On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1030] approving a
2 stipulation between the Trustee and Marich Bein, LLC treating its purportedly secured claim as
3 unsecured, subject to disallowance, pursuant to § 502(d), and authorizing the Trustee to file a UCC-
4 3 termination statement with respect to the UCC-1 filed in favor of Marich Bein, LLC.

5 **d. Marketing and Receivable Purchase Ownership Claim Litigation**

6 As stated above, LPG operated a law firm for consumers across the country who sought
7 assistance in contesting or resolving certain identified debt. The consumers would pay LPG over a
8 period of time via monthly debits from their bank accounts. The monthly payments were meant to
9 cover all legal services LPG provided to the consumers including debt validation, review of
10 documents to determine enforceability, and court appearances to halt lawsuits to obtain judgments.
11 In certain instances, LPG would file a lawsuit in an effort to eliminate a disputed debt or to prosecute
12 affirmative claims held by the consumers. As set forth more fully in the relevant adversary
13 proceedings, LPG mismanaged the handling of the consumers' monthly payments.

14 To obtain consumer clients, the Trustee alleges that LPG contracted with marketing
15 companies, who engaged in illegal capping. The marketing companies would advertise or directly
16 solicit potential consumer clients for LPG. The marketing affiliates went so far as to assist with the
17 execution of engagement letters between the consumer and LPG. In exchange, LPG agreed to pay the
18 marketing affiliates a percentage of the monthly payments collected by LPG from the consumers.
19 Because LPG received payments from consumers over time, it often sought financing by borrowing
20 against its future cash flows. This borrowing was not only used to finance operations at LPG, but also
21 to pay the fees owed to the marketing companies for providing client referrals. Many of the
22 documents executed in connection with such financing described the transactions as accounts
23 receivable purchase agreements and/or the sale of client files. The Trustee is diligently investigating
24 and has filed numerous adversary proceedings against marketing affiliates and other entities who
25 allegedly sold and/or purchased receivables and/or client files. The various adversary proceedings set
26 forth facts and law to support that these agreements are void or voidable under various theories
27 including that such agreements are illegal, and thus any payments made or collected by these entities,
28

1 should be returned to the Estate as avoidable transfers. Ten of these adversary proceedings have been
2 filed, with numerous others pending.

3 **e. Other Adversary Proceedings**

4 The Trustee is investigating various avoidance actions and actions to recover transfers of
5 property of the estate. Trustee's attorneys have assisted with this investigation, sending numerous
6 2004 applications and subpoenas in an attempt to trace assets. Trustee's forensic accountants have
7 provided an analysis, from various Debtor bank statements, showing what money was transferred
8 from LPG to various entities within 90 days of and within four years prior the Petition Date. Trustee
9 has sent various entities "Preference" letters and will continue to investigate and pursue these parties
10 if reasonable. Trustee anticipates filing these actions in the coming months.

12 **SUMMARY OF THE PLAN**

13 *The following is a general overview only, which is qualified in its entirety by, and should be*
14 *read in conjunction with, the more detailed discussions and information appearing in the Plan.*

15 **A. Classification and Treatment of Claims and Interests Under the Plan**

16 **1. What Creditors and Interest Holders Will Receive Under the Plan**

17 As required by the Bankruptcy Code, the Plan classifies claims and interests in various classes
18 according to their rights and priorities. Similarly situated claims are included in the same class.
19 Claims that have different rights and priorities such as secured creditors are included in their own
20 class. The Plan also states whether the claims and rights of each class are impaired or unimpaired.
21 Lastly, the Plan provides for the treatment of for holders of claims in each class (i.e. what will they
22 receive on account of their claims).

23 **2. Unclassified Claims**

24 Certain types of claims are not placed into voting classes; instead they are unclassified. They
25 are not considered impaired and they do not vote on the Plan because they are automatically entitled
26 to specific treatment as set forth in the Bankruptcy Code. In accordance with § 1123(a)(1) of the
27 Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Professional Fee Claims, have
28

not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article III of the Plan. The following claims are not classified:

a. Administrative Claims Including Professional Fee Claims

Section 507(a)(2) of the Bankruptcy Code provides for priority treatment of certain claims, including fees and charges provided under chapter 123 of the Judicial Code, and administrative expenses allowed under 11 U.S.C. § 503(b). The Bankruptcy Code requires that all such allowed claims be paid in full on the Effective Date unless a particular Holder agrees to a different treatment.

Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by the applicable Administrative Claims Bar Dates shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Estate or its property, and such Administrative Claims shall be deemed satisfied, settled, and released. Objections to such requests, if any, must be Filed and served on the Plan Proponents, or Liquidating Trustee, as applicable, and the requesting party not later than the Administrative Claims Objection Deadline.

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Plan Proponents or the Liquidating Trustee, as applicable, each Holder of an Allowed Administrative Claim (other than Holders of Professional Fee Claims and Claims for fees and expenses, pursuant to § 1930 of the Judicial Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim in accordance with the following: (1) if an Administrative Claim is Allowed as of the Effective Date, on the Effective Date or thereafter is agreed by any Holder of such Administrative Claim (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (2) if such Administrative Claim is not Allowed as of the Effective Date, no later than sixty (60) days after the date on which an order Allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter; (3) if such Allowed Administrative Claim is based on liabilities incurred by Debtor or Trustee in the ordinary course of business after the Petition Date in accordance with the terms and conditions of the particular transaction giving rise to such Allowed Administrative

Claim without any further action by the Holder of such Allowed Administrative Claim, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; or (4) at such time and upon such terms as set forth in a Final Order of the Bankruptcy Court or as agreed with the Plan Proponents or Liquidating Trustee, as applicable.

The following chart lists all known potential claims, including Professional Fee Claims, entitled to § 507(a)(2) priority treatment:

The administrative claim amounts set forth above simply represent the Plan Proponents' best estimate as to the identity of Holders and the amounts of projected administrative claims in this case.

1 The actual administrative claims may be higher or lower. By voting to accept the Plan, creditors are
2 not acknowledging the validity of, or consenting to the amount of, any of these administrative claims,
3 and creditors are not waiving any of their rights to object to the allowance of any administrative
4 claims.

5 **b. Bankruptcy Approval of Professional Fee Claims Required**

6 Unless excepted from the need to file a motion by the Bankruptcy Code or unless the Court
7 enters an order approving such claims, all professional fees and expenses listed in the foregoing chart
8 must be approved by Court order before they may be paid. All final requests for payment of
9 Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the
10 Effective Date must be filed no later than forty-five (45) days after the Effective Date. The
11 Bankruptcy Court shall determine the amounts of such Professional Fee Claims after notice and a
12 hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules,
13 and prior Bankruptcy Court orders. Only the amount of fees and expenses allowed by the Bankruptcy
14 Court will be required to be paid under the Plan. Professionals who have been employed in this case
15 are not being deemed to have agreed that the figures contained herein represent any ceiling on the
16 amount of fees and expenses that they have incurred or are entitled to seek to be paid pursuant to
17 Bankruptcy Court order as such fees and expenses are just estimates provided at the time of the
18 preparation of the Plan.

19 **c. Priority Tax Claims**

20 Priority Tax Claims include certain unsecured income, employment, and other taxes described
21 by 11 U.S.C. § 507(a)(8). The Bankruptcy Code requires that each Holder of a Priority Tax Claim
22 (whether secured or unsecured) must receive the present value of such claim in regular installment
23 payments in cash (i) of a total value, as of the Effective Date of the Plan, equal to the allowed amount
24 of such claim; (ii) over a period ending not later than five years after the Petition Date; and (iii) in a
25 manner not less favorable than the most favored non-priority unsecured claim provided for under the
26 Plan.

27 Except to the extent that a Holder of an Allowed Priority Tax Claim and the Plan Proponents
28

or the Liquidating Trustee agree to a less favorable treatment for such Holder, in full and final satisfaction, settlement, and release of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in § 1129(a)(9)(C) of the Bankruptcy Code and, for the avoidance of doubt, Holders of Allowed Priority Tax Claims will receive interest on such Allowed Priority Tax Claims after the Effective Date in accordance with §§ 511 and 1129(a)(9)(C) of the Bankruptcy Code.

All Allowed Priority Tax Claims will be paid as set forth in the below chart. The Plan Proponents reserve all rights to object to any alleged Priority Tax Claims.

The following chart lists all known § 507(a)(8) Priority Tax Claims and their treatment under the Plan:⁵ The chart is based on the filed claims in this case. Trustee shall either reserve sufficient funds in the Estate to make such payments or the Liquidating Trust shall be liable to make such payments as they become due if Trustee funds all estate assets into the Trust.

⁶ The “Amount Alleged” column represents the amount of Priority Tax Claims that have been asserted, or that Trustee believes will be asserted, by each Holder of a Priority Tax Claim. 1 **3. Classified Claims and Interests**

2 **a. Classification of Claims and Interests**

3 Except for the Claims addressed in Section III.B of the Plan, all Claims and Interests are
4 classified in the Classes set forth in Section III.C of the Plan for all purposes, including voting,
5 Confirmation, and distributions pursuant to the Plan and in accordance with §§ 1122 and 1123(a)(1)
6 of the Bankruptcy Code. A Claim or an Interest is classified in a particular Class only to the extent
7 that such Claim or Interest qualifies within the description of that Class and is classified in other
8 Classes to the extent that any portion of such Claim or Interest qualifies within the description of such
9 other Classes. A Claim or Interest also is classified in a particular Class for the purpose of receiving
10 distributions under the Plan only to the extent that such Claim or Interest is an Allowed Claim or
11 Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the
12 Effective Date.

13 The classification of Claims and Interests against the Debtor pursuant to the Plan is as set
14 forth below:

Class	Claim / Interest	Status	Voting Rights
1	Secured Claims	Impaired	Entitled to Vote
2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
3	General Unsecured Claims	Impaired	Entitled to Vote
4	Subordinated Claims	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)
5	Equity Interests	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)

24 **b. Treatment of Claims and Interests**

25 Subject to Section III.C. of the Plan, each Holder of an Allowed Claim or Allowed Interest,
26 as applicable, shall receive under the Plan the treatment described below in full and final satisfaction,
27 compromise, settlement, and release of, and in exchange for, such Holder's Allowed Claim or Allowed
28

1 Interest, except to the extent less favorable treatment is agreed to by the Plan Proponents, or the
2 Liquidating Trustee, as applicable, and the Holder of such Allowed Claim or Allowed Interest, as
3 applicable.

4 The Classes below classify Claims (except for unclassified claims such as Administrative
5 Claims and Priority Tax Claims) against the Estate for all purposes, including voting, confirmation,
6 and distribution pursuant to the Plan.

7 **c. Class 1 – Classes of Secured Claims**

8 Secured claims are claims that are secured by Liens on property of the Estate. The following
9 chart sets forth the description and treatment of Secured Claims.

10 The Secured Claims are subject to substantial dispute. The Plan Proponents have objected,
11 or intend to object, to the validity, priority, perfection, and/or amount of some or all of the Secured
12 Claims on various grounds including, but not limited to, that the Liens purporting to secure the
13 Secured Claims are avoidable under 11 U.S.C. §§ 544, 547, 548, 549, 550, 551, 552, and/or 553, or
14 applicable nonbankruptcy law, or subject to subordination under 11 U.S.C. §§ 510(b) and/or 510(c).
15 To the extent that the Trustee, the Committee, or Liquidating Trustee files an adversary proceeding
16 and successfully avoids, recovers, and preserves any Lien held by any Holder of a Secured Claim,
17 the Estate or Liquidating Trust shall be entitled to rights otherwise afforded the Holders of such
18 Claims as described below. Additionally, the Plan Proponents have objected, or intend to object, to
19 the amount of some or all of the Secured Claims on various grounds, pursuant to Bankruptcy Rule
20 3012. In addition, the Plan Proponents believe that some or all of the Secured Claims, to the extent
21 Allowed, are subject to disallowance and/or setoff under 11 U.S.C. §§ 502(d) and 553. Holders of
22 Allowed Secured Claims, following entry of a Final Order Allowing such Secured Claim (or any
23 portion thereof), will be entitled to the treatment specified by the Plan with respect to any Allowed
24 amount of such Secured Claim, if any.

25 The Plan sets forth the asserted amount of Secured Claims set forth in corresponding Proofs
26 of Claim or estimates the amount of the Secured Claim where no Proof of Claim is filed. The Plan
27 does not treat as Holders of Secured Claims certain parties that filed UCC-1 financing statements
28

prepetition and whose claim is estimated in the amount of \$0.00, pursuant to the Court's ruling on that certain motion filed by the Trustee, pursuant to Bankruptcy Rule 3012. Pursuant to the foregoing ruling, the Court has authorized the Trustee to file UCC-3 termination statements with respect to such UCC-1 financing statements, and, as such, any claim is not treated in the Plan as a Secured Claim. In other instances, the Plan estimates certain Secured Claims at \$0.00 to the extent that the Holders of such Secured Claims have filed UCC-1 financing statements but have neither filed a Proof of claim nor responded to Trustee's request for information regarding the alleged Secured Claim. The Plan Proponents believe that such claims have either been fully satisfied or are otherwise avoidable. All such holders of Secured Claims will be served with the Plan and Disclosure Statement.

Certain Holders of Secured Claims purport to relate to one or more alleged Purchase and Sale Agreements, pursuant to which the Holders of such Secured Claims may assert an ownership interest in certain consumer client files, accounts receivable, and/or revenue streams. The Plan preserves the rights of any Holders of Secured Claims to assert an ownership interest in such client files, accounts receivable, and/or revenue streams, subject to the Ownership Challenge Deadline, and the Estate's and Liquidating Trust's rights to object to or otherwise challenge any such alleged ownership interests.

d. Class 2 – Classes of Other Priority Claims

Other Priority Claims are entitled to priority, under §§ 364(c) and 507(a)(4), (a)(5), and (a)(7) of the Bankruptcy Code, including the following:

- Super-Priority Loans: Section 364(c) of the Bankruptcy Code provides that certain loans may be afforded priority over any or all administrative expenses of the kind

specified in §§ 503(b) and 507(b) of the Bankruptcy Code. In the Bankruptcy Case, the Court approved loans, two of which remain outstanding:

- The loan made by Resolution Ventures to the Estate, outstanding amount of \$341,280, which includes a deduction of the amount of outstanding debt credited to fund the initial deposit by MLG under the Sale Order;
- The loan made by Liberty Acquisitions to the Estate, in the total amount of \$594,362; and
- The loan made by Pan American to the Estate, in the total amount of \$269,637.

- Wages/Commissions: Claims under § 507(a)(4) of the Bankruptcy Code include unsecured claims for wages, salaries, or commissions (up to \$15,150) earned within 180 days before the Petition Date or when the Debtor's business ends, whichever is earlier. 11 U.S.C. § 507(a)(4).

- Contributions to Employee Benefit Plan: Claims under § 507(a)(5) of the Bankruptcy Code include unsecured claims for contributions to an employee benefit plan arising from services rendered within 180 days before the Petition Date or when the Debtor's business ends, whichever is earlier. But claims for wages under (a)(4) are paid first (up to \$15,150); then claims under (a)(5) for contributions to employee benefit plans can be recovered next, up to the remainder of the \$15,150 ceiling.

- Deposits: Claims under § 507(a)(7) of the Bankruptcy Code include unsecured claims for amounts paid towards deposits for the purchase, lease, or rental of property or services for personal, family, or household use up to \$3,350 of deposits.

Trustee shall either reserve sufficient funds in the Estate to make the payments due to Class 2 claimants or the Liquidating Trust shall be liable to make such payments as they become due if Trustee funds all estate assets into the Trust.

e. Class 3 – Classes of General Unsecured Claims

General Unsecured Claims are not entitled to priority under § 507(a) of the Bankruptcy Code. The following charts identify the Plan's treatment of the classes containing the General Unsecured Claims.

While there may be a recovery for Holders of Allowed General Unsecured Claims, it is not possible at this time to estimate the ultimate recovery for such Holders based, in part, on the extent to which asserted Secured Claims are ultimately Allowed, the extent to which any asserted Other Priority Claims and General Unsecured Claims are Disallowed and/or subordinated, and the extent of recoveries from Causes of Action.

<u>Class</u>	<u>Description</u>	<u>Impairment</u>	<u>Treatment</u>
3A	General Unsecured Claims This Class is comprised of all Holders of General Unsecured Claims.	Impaired; Entitled to Vote	Unless the Holder of an Allowed Class 3A Claim agrees to less favorable treatment, the Holder of an Allowed Class 3A Claim will receive on the Effective Date a Trust Beneficial Interest in the amount of such Allowed Class 3A Claim and become a Trust Beneficiary in full and final satisfaction of its Allowed Class 3A Claim.
3B	Consumer Client Convenience Class	Impaired; Entitled to Vote	Unless the Holder of an Allowed Class 3B Claim agrees to less favorable treatment, the Holder of an Allowed Class 3B Claim

1		This Class is comprised of any former client of the Debtor that is the Holder of a properly Filed and supported General Unsecured Claim otherwise treatable under Class 3A of the Plan that elects treatment as a member of Class 3B in lieu of treatment in Class 3A.		that elects to treatment in Class 3B will receive on the Effective Date a Trust Beneficial Interest equal to 30% of the amounts, reflected in the Debtor's books and records, that were paid to and received by the Debtor from such former client. <i>Electing treatment in Class 3B and accepting an Allowed Class 3B Claim does not entitle such Holder to payment in full of such Class 3B Claim, which will be paid Pro Rata with all Allowed Class 3A and Class 3B Claims.</i> Such Holder of an Allowed Class 3B Claim will become a Trust Beneficiary in full and final satisfaction of its Allowed Class 3B Claim. A Holder's affirmative election to participate in Class 3B will be deemed a vote in favor of the Plan. Holders of Class 3B Claims will be deemed to have expressly waived any other General Unsecured Claim in excess of the Allowed amount of such Holder's Class 3B Claim. Moreover, such Holder of an Allowed Class 3B Claim expressly waives all claims, rights, and defenses that would otherwise exist against the Estate. In exchange for the foregoing waiver and release, the Estate and Liquidating Trust will expressly waive any objection to a Class 3B Claim except for objections based on failure to timely file such Claim.

Except as expressly provided herein, the allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into

account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, § 510(b) of the Bankruptcy Code, or otherwise. Except as otherwise provided in the Plan, nothing under the Plan shall affect the Estate's rights in respect of any Claims that are Unimpaired, including all rights in respect of legal and equitable defenses to or setoffs or recoupments against any such Claims that are Unimpaired. Unless otherwise Allowed, Claims that are Unimpaired shall remain Disputed Claims under the Plan.

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of confirmation by acceptance of the Plan by at least one Impaired Class of Claims. The Plan Proponents shall seek Confirmation of the Plan pursuant to § 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Plan Proponents reserve the right to modify the Plan in accordance with the terms of the Plan to the extent, if any, that confirmation, pursuant to § 1129(b) of the Bankruptcy Code, requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and the Bankruptcy Rules.

1 j. **Elimination of Vacant Classes; Presumed Acceptance by Non-Voting**
2 **Classes**

3 Any Class of Claims or Interests that does not have a Holder of an Allowed Claim or Allowed
4 Interest, or a Claim or Interest temporarily Allowed by the Bankruptcy Court in an amount greater
5 than zero as of the date of the Confirmation Hearing, shall be considered vacant and deemed
6 eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of
7 determining acceptance or rejection of the Plan by such Class, pursuant to § 1129(a)(8) of the
8 Bankruptcy Code.

9 If a Class contains Claims or Interests eligible to vote and no Holders of Claims or Interests
10 eligible to vote in such Class vote to accept or reject the Plan, the Holders of such Claims or Interests
11 in such Class shall be presumed to have accepted the Plan.

12 **B. Means of Effectuating the Plan**

13 **1. Post-Effective Date Management and Dissolution of the Debtor**

14 The Debtor shall be dissolved, under applicable non-bankruptcy law, on the Effective Date or
15 as soon thereafter as is practicable to accomplish the purposes of the Plan. The Debtor's interests and
16 rights shall be vested, for all purposes, in the Liquidating Trust.

17 On the Effective Date, the authority, power, and incumbency of the persons acting as directors
18 and officers of the Debtor shall be deemed to have been resigned, solely in their capacities as such, and
19 the Liquidating Trustee shall be appointed as the sole manager and sole officer of the Debtor and shall
20 succeed to the powers of the Debtor's directors and officers. From and after the Effective Date, the
21 Liquidating Trustee shall be the sole representative of, and shall act for, the Debtor to the extent
22 necessary to implement and effectuate the terms of the Plan.

23 The Debtor shall continue in existence solely for the following limited purposes: (i) making
24 any Effective Date payments required under the Plan; (ii) transferring the Debtor's assets to the
25 Liquidating Trust under the terms of the Plan; and (iii) taking all steps to execute all instruments and
26 documents necessary to effectuate the Plan.

1 **2. The Liquidating Trust**

2 **a. Execution of the Liquidating Trust Agreement**

3 Upon entry of a Confirmation Order, a Liquidating Trust Agreement in a form approved by
4 the Bankruptcy Court shall be executed, and all other necessary steps shall be taken to establish the
5 liquidating trust (the “Liquidating Trust”) and the Trust Beneficial Interests therein, which shall be
6 for the benefit of all creditors entitled to Trust Beneficial Interests under the Plan.

7 **b. Purposes of the Liquidating Trust**

8 The Liquidating Trust shall be established and maintained for the purpose set forth in the
9 Liquidating Trust Agreement, including for the purpose of collecting, distributing, and liquidating all
10 of the funds and property assigned to the Liquidating Trust and pursuing claims and Causes of Action
11 assigned to the Liquidating Trust under the Plan for the benefit of the creditors entitled to receive
12 distributions under the Plan from the Liquidating Trust in accordance with the terms of the
13 Liquidating Trust Agreement and the Plan. The Liquidating Trust shall have no objective or authority
14 to continue or to engage in the conduct of any trade or business.

15 **c. Transfer of Property to the Liquidating Trust**

16 **i. Liquidating Trust Assets**

17 On the Effective Date, all right, title, and interest of the Debtor and the Estate in property and
18 assets of any kind, other than Effective Date distributions to Holders of Allowed Claims entitled to
19 payment on the Effective Date under the terms of the Plan, shall be deemed irrevocably transferred,
20 absolutely assigned, conveyed, set over and delivered to the Liquidating Trust, in trust to, and in trust
21 for, the benefit of the Trust Beneficiaries for the uses and purposes stated herein and in the Liquidating
22 Trust Agreement, free and clear of any and all liens, claims, encumbrances and interests (legal,
23 beneficial or otherwise) of all other entities to the maximum extent contemplated by and permissible
24 under § 1141(c) of the Bankruptcy Code, except as set forth in the Plan Confirmation Order or the
25 Plan. To the extent that certain assets of the Debtor or the Estate (and its right, title and interest in
26 such assets), because of their nature or because they will accrue subsequent to the Effective Date,
27 cannot be irrevocably transferred, absolutely assigned, conveyed, set over or delivered to the
28

Liquidating Trust on the Effective Date, such assets shall be deemed assigned, set over, transferred and conveyed to the Liquidating Trust as soon as practicable after the Effective Date. The Liquidating Trustee is hereby granted the Power of Attorney to execute documents on behalf of the Debtor, as reasonably determined by the Liquidating Trustee (in recordable form where necessary or appropriate) to vest or perfect in or confirm to the Liquidating Trustee title to and possession of the Liquidating Trust Assets. Without limitation, the Liquidating Trust Assets shall include all Cash and Causes of Action of the Estate, less: (i) Effective Date payments to Holders of (a) Allowed Administrative Claims, (b) Allowed Priority Claims. and (c) Allowed Class 1 Secured Claims; and (ii) any funds attributable to a creditor or party in interest that makes a timely challenge by the Fund Challenge Deadline (defined below) concerning the characterization of Post-Petition Funds. Pursuant to the Liquidating Trust Agreement, the Liquidating Trust will take title to such property subject to certain specified claims including alleged or disputed Secured Claims. In other words, some of the funds transferred to the Liquidating Trust may be used to pay Holders of Claims that are not Trust Beneficiaries.

ii. Fund Challenge Deadline

It is Trustee's belief that the Post-Petition Funds have been or will be earned and are such property of the Estate for purposes of 11 U.S.C. § 541, and are not property held in trust for third parties. If any party wishes to dispute the characterization of the Post-Petition Funds as property of the Estate and/or use of the Funds to fund Plan payments, such parties-in-interest must commence an adversary proceeding no later than **July 11, 2024 (“Fund Challenge Deadline”)**. **The Post-Petition Funds attributable to any creditor or party in interest shall be deemed property of the Estate in accordance with the Plan without further order of the Court if such creditor or party in interest does not commence an adversary proceeding disputing the characterization of such Post-Petition Funds by the Fund Challenge Deadline.**

iii. Ownership Challenge Deadline

Certain parties claim an ownership interest in client files, receivables, or other property or assets sold, pursuant to the Sale Order, and that such property or receivables do not constitute property

1 of the Estate for purposes of 11 U.S.C. § 541. If any party wishes to assert an ownership interest in
2 any Liquidating Trust Assets, such parties-in-interest must commence an adversary proceeding no
3 later than **July 11, 2024 (“Ownership Challenge Deadline”)**. **Parties in interest that do not**
4 **commence an adversary proceeding by the Ownership Challenge Deadline shall be barred**
5 **from, and deemed to have waived and forfeited, any ownership or similar claim in the**
6 **Liquidating Trust Assets without further order of the Court.**

7 **iv. Transfer Subject to Allowed Secured Claims and Valid, Perfected**
8 **Liens.**

9 Notwithstanding the transfer of Liquidating Trust Assets to the Liquidating Trust, such
10 transfer shall be subject to any valid, properly perfected Liens of Holders of Allowed Class 1 Secured
11 Claims and the provisions of the Plan concerning distributions to Holders of Allowed Secured Claims.

12 **v. Transfer Subject to Payments Required by Plan.**

13 Should the Liquidating Trust receive assets prior to satisfaction of all claims required to be
14 paid by the Plan, it shall be liable for and the Liquidating Trustee shall be authorized to make such
15 payments (e.g. Class 2 tax payments) from the Trust.

16 **vi. Substitution in Litigation**

17 On or after the Effective Date, the Liquidating Trustee, in the capacity as representative of the
18 Liquidating Trust, shall continue as a plaintiff in all Litigation or Causes of Action (on behalf of
19 beneficiaries of the Liquidating Trust) in which the Debtor, Trustee on behalf of the Estate, or the
20 Committee as the assignee of the Debtor, were plaintiff prior to the Effective Date. On the Effective
21 Date, all claims and Causes of Action including those on the list of Potential Litigation Targets that
22 belong to the Debtor and/or the Estate shall be deemed assigned to the Liquidating Trust for analysis
23 by, and if appropriate pursuit by, the Liquidating Trustee. All recoveries and proceeds arising from
24 litigation and Causes of Action shall be deemed assigned, set over, transferred, and conveyed to the
25 Liquidating Trust upon receipt thereof. All fees and costs of the Liquidating Trust (and agents thereof)
26 arising from or relating to pursuing litigation or Causes of Action or other services performed at the
27 request of the Liquidating Trustee on behalf of the Liquidating Trust shall be paid in accordance with
28

1 the Liquidating Trust Agreement. On and after the Effective Date the Liquidating Trustee shall be
2 duly authorized to pursue, or to continue to pursue Causes of Action transferred to the Liquidating
3 Trust. Subject to the terms of the Liquidating Trust Agreement, the Liquidating Trustee shall have
4 full power and authority to settle, adjust, retain, enforce, or abandon the Causes of Action transferred
5 to the Liquidating Trust, regardless of whether the pursuit of such claims was commenced prior or
6 subsequent to the Effective Date.

7 **d. Securities Exempt**

8 Under § 1145 of the Bankruptcy Code, the issuance of Trust Beneficial Interests to Trust
9 Beneficiaries, to the extent such Trust Beneficial Interests are deemed to be “securities,” shall be
10 exempt from registration under the Securities Act, as amended, and all applicable state and local laws
11 requiring registration of securities. If the Liquidating Trustee determines, with the advice of counsel,
12 that the Liquidating Trust is required to comply with the registration and reporting requirements of
13 the Securities and Exchange Act of 1934, as amended, or the Investment Company Act of 1940, as
14 amended, then the Liquidating Trustee shall take any and all actions to comply with such reporting
15 requirements and file necessary periodic reports with the Securities and Exchange Commission.

16 **e. Establishment of Post-Confirmation Oversight Committee**

17 Prior to the Effective Date, a committee shall be appointed to serve as the Post-Confirmation
18 Oversight Committee pursuant to the terms of an agreement to be set forth in the Plan Supplement
19 (“Post-Confirmation Oversight Committee Bylaws”). Members of the Post-Confirmation Oversight
20 Committee shall have the duties and oversight responsibilities set forth in the Liquidating Trust
21 Agreement and in the Plan.

22 **f. Governance of Liquidating Trust**

23 The Liquidating Trust shall be governed by the Liquidating Trustee, subject to the oversight
24 of the Post-Confirmation Oversight Committee, in accordance with the Liquidating Trust Agreement
25 and consistent with the Plan.

26 **g. Designation of Liquidating Trustee**

27 Richard A. Marshack, or any successor appointed pursuant to the terms of the Liquidating
28

Trust Agreement (“Liquidating Trustee”), shall serve as the Liquidating Trustee, subject to the provisions of the Liquidating Trust Agreement. The Liquidating Trustee shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan and the Liquidating Trust Agreement, and as otherwise provided in the Confirmation Order. The duties, obligations, and responsibilities of the Liquidating Trustee shall be as set forth in the Liquidating Trust Agreement. The Liquidating Trustee’s responsibilities, duties and obligations are solely to the Trust Beneficiaries. The Liquidating Trustee shall have an independent right and standing to request relief from the Bankruptcy Court that the Liquidating Trustee believes to be in accordance with the best interests of the Trust Beneficiaries. The Liquidating Trustee and Post-Confirmation Oversight Committee shall each be deemed to be a “party in interest” within the meaning of § 1109(b) of the Bankruptcy Code and a representative of the Estate under Bankruptcy Code §§ 1123(b)(3) and 1129(a)(5).

h. Rights, Powers, and Privileges of the Liquidating Trustee

The Liquidating Trustee shall have all of the rights, powers, and privileges of a chapter 11 trustee and as expressly provided in the Plan and the Liquidating Trust Agreement. The Liquidating Trustee shall have the power to take the actions granted in the Liquidating Trust Agreement and any powers reasonably incidental thereto that the Liquidating Trustee, in his reasonable discretion, deems necessary or appropriate to fulfill the purpose of the Liquidating Trust, unless otherwise specifically limited or restricted by the Plan or the Liquidating Trust Agreement. The Liquidating Trustee shall be compensated in accordance with the Liquidating Trust Agreement.

i. Agents and Professionals

Subject to the provisions of the Liquidating Trust Agreement, the Liquidating Trustee shall consult with and retain attorneys, accountants, appraisers, or other parties deemed by the Liquidating Trustee to have qualifications necessary to assist in the proper administration of the Liquidating Trust. The Liquidating Trustee may pay the reasonable salaries, fees, and expenses of such persons, including contingency fees, out of the Liquidating Trust Assets in the ordinary course to the extent permitted in the Liquidating Trust Agreement.

1 **j. Investment and Safekeeping of Liquidating Trust Assets**

2 All monies and other Liquidating Trust Assets received by the Liquidating Trustee shall, until
3 distributed or paid over as provided in the Liquidating Trust Agreement and the Plan, be held in the
4 Liquidating Trust for the benefit of the Trust Beneficiaries, but need not be segregated from other
5 Liquidating Trust Assets, unless and to the extent required by law or the Plan. The Liquidating Trustee
6 shall be under no liability for interest or producing income on any moneys received by the Liquidating
7 Trust and held for distribution or payment to the beneficiaries of the Liquidating Trust, except as such
8 interest shall actually be received by the Liquidating Trustee. Investments of any moneys held by the
9 Liquidating Trustee shall be administered in view of the manner in which individuals of ordinary
10 prudence, discretion and judgment would act in the management of their own affairs. For the removal
11 of doubt, the investment powers of the Liquidating Trustee, other than those reasonably necessary to
12 maintain the value of the Liquidating Trust Assets and to further the liquidating purpose of the
13 Liquidating Trust, are limited to powers to invest in demand and time deposits, such as short-term
14 certificates of deposits, in banks or other savings institutions, or other temporary, liquid investments,
15 such as treasury bills.

16 **k. Limitations on Liquidating Trustee and Payment of Fees**

17 The Liquidating Trustee shall not at any time, on behalf of the Liquidating Trust or
18 beneficiaries of the Liquidating Trust: (i) enter into or engage in any trade or business, and no part of
19 the Liquidating Trust Assets or the proceeds, revenue or income therefrom shall be used or disposed
20 of by the Liquidating Trust in furtherance of any trade or business, or (ii) except as provided in the
21 Liquidating Trust Agreement, reinvest any Liquidating Trust Assets. The Liquidating Trustee may
22 invest funds held in the Liquidating Trust consistent with the requirements of the Liquidating Trust
23 Agreement and the prudent person standard of care, provided that the Liquidating Trustee shall have
24 no liability in the event of insolvency of any financial institution in which he/she has invested any
25 funds of the Liquidating Trust to the extent such institution is on the list of approved depositories by
26 the United States Trustee. The Liquidating Trustee shall hold, collect, conserve, protect and
27 administer the Liquidating Trust in accordance with the provisions of the Liquidating Agreement and
28

1 the Plan, and pay and distribute amounts as set forth herein for the purposes set forth in the
2 Liquidating Trust Agreement.

3 **I. Bankruptcy Court Approval of Liquidating Trustee Actions**

4 Except as provided in the Plan or otherwise specified in the Liquidating Trust Agreement, the
5 Liquidating Trustee need not obtain the approval of the Bankruptcy Court in the exercise of any
6 power, rights, or discretion conferred hereunder or account to the Bankruptcy Court. Subject to the
7 terms of the Liquidating Trust Agreement, the Liquidating Trustee shall have the right to submit to
8 the Bankruptcy Court any question or questions regarding which the Liquidating Trustee may desire
9 to have explicit direction and/or approval of the Bankruptcy Court with respect to the Liquidating
10 Trust Assets, the Liquidating Trust, the Liquidating Trust Agreement, the Plan, or the Debtor. Subject
11 to the terms of the Liquidating Trust Agreement, the Liquidating Trustee also shall have the authority,
12 but not the obligation, to seek Bankruptcy Court approval to sell any Liquidating Trust Assets free
13 and clear of any and all liens, claims and encumbrances.

14 **m. Valuation of Liquidating Trust Assets**

15 The Liquidating Trustee shall make best efforts to understand and apprise the Trust
16 Beneficiaries of the fair market value of the Liquidating Trust Assets upon request. The valuation
17 shall be used consistently by all parties (including the Liquidating Trustee and the Trust Beneficiaries)
18 for all federal income tax purposes. Any dispute regarding the valuation of Liquidating Trust Assets
19 shall be resolved by the Bankruptcy Court.

20 **n. Distributions**

21 The Liquidating Trustee shall serve as the Disbursing Agent with the power, subject to the
22 terms of the Liquidating Trust Agreement, to: (a) effect all actions and execute all agreements,
23 instruments, and other documents necessary to perform its duties under the Plan; (b) make all
24 distributions contemplated hereby; (c) employ professionals to represent it with respect to its
25 responsibilities; and (d) exercise such other powers as may be vested in a disbursing agent by order
26 of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Liquidating Trustee to be
27 necessary and proper to implement the provisions hereof. In his capacity as a disbursing agent, the
28

1 Liquidating Trustee shall distribute at least annually to the Trust Beneficiaries (in the order set forth
2 in the Plan) all net cash income plus all net cash proceeds from the liquidation of Liquidating Trust
3 Assets; provided, however, that the Liquidating Trustee shall maintain at all times adequate cash or
4 marketable securities as reserves, as may be reasonably necessary to maintain the value of the
5 Liquidating Trust Assets, satisfy projected expenses and meet claims and contingent liabilities of the
6 Liquidating Trust. The Liquidating Trustee may request the Bankruptcy Court resolve any dispute or
7 to rule upon any inquiry regarding the adequacy of reserves.

27 in accordance with the Liquidating Trust Agreement. Trust Beneficiaries who fail to claim Cash shall
28

1 have no claim whatsoever against the Liquidating Trust or the Liquidating Trustee, as applicable, or
2 any of the other Trust Beneficiaries to whom distributions are made under the Plan on account of
3 such distributions; provided, however, that the Liquidating Trustee may, but is not required to,
4 undertake reasonable efforts, in his business judgment, to locate Trust Beneficiaries whose

6 **s. De Minimis Distributions**

7 Treatment of de minimis distributions shall be in accordance with the Liquidating Trust
8 Agreement.

21 **v. Priority of Distribution**

22 Any unencumbered recovery by the Liquidating Trust on account of the Liquidating Trust

19 z. **Ownership of Beneficial Interests**

20 Subject to the requirements and limitations of the Liquidating Trust Agreement, each Trust

23 of such Trust Beneficial Interests may be made on a Pro Rata basis with other Trust Beneficiaries of
24 the same priority as set forth in the Plan.

2 **bb. Conflicting Claims**

3 If any conflicting claims or demands are made or asserted with respect to a Trust Beneficial

5 such conflicting claims or demands. In so refusing, and subject to any obligations set forth in the
6 Liquidating Trust Agreement, the Liquidating Trustee may elect to make no payment or distribution
7 with respect to the Trust Beneficial Interest represented by the claims or demands involved, or any
8 part thereof, and the Liquidating Trustee shall refer such conflicting claims or demands to the
9 Bankruptcy Court, which shall have exclusive jurisdiction over resolution of such conflicting claims
10 or demands. In so doing, the Liquidating Trustee shall not be or become liable to any party for his

15 Trust and the Liquidating Trustee, his agents or his professionals (the occurrence of either (a) or (b)
16 being referred to as a “Dispute Resolution” in this paragraph). Until a Dispute Resolution is reached
17 with respect to such conflicting claims or demands, the Liquidating Trustee shall hold in a segregated
18 interest-bearing account with a United States financial institution any payments or distributions from
19 the Liquidating Trust to be made with respect to the Trust Beneficial Interest at issue. Promptly after

3 inquire into the validity, expediency, or propriety of any transaction by the Liquidating Trustee or
4 any agent or professional of the Liquidating Trustee.

5 ee. **Liquidating Trustee and Post-Confirmation Oversight Committee's**
6 **Exculpation, Indemnification, Insurance and Liability Limitation**

15 suit, proceeding or investigation brought or threatened against one or more of the Liquidating Trust
16 Indemnified Parties on account of the acts or omissions of an Liquidating Trust Indemnified Party
17 solely in its capacity as such; provided, however, that the Liquidating Trust shall not be liable to
18 indemnify any Liquidating Trust Indemnified Party for any act or omission constituting bad faith,
19 fraud or willful misconduct by such Liquidating Trust Indemnified Party. Notwithstanding any
20 provision herein to the contrary, the Liquidating Trust Indemnified Parties shall be entitled to obtain
21 advances from the Liquidating Trust to cover their reasonable expenses of defending themselves in
22 any action brought against them as a result of the acts or omissions, actual or alleged, of a Liquidating
23 Trust Indemnified Party in its capacity as such. The foregoing indemnity in respect of any Liquidating
24 Trust Indemnified Party shall survive the termination of such Liquidating Trust Indemnified Party
25 from the capacity for which it is indemnified.

26 The Liquidating Trustee may obtain, at the expense of the Liquidating Trust and Estate
27 commercially reasonable liability or other appropriate insurance with respect to the indemnification
28

16 distributed (unless such records and documents are necessary to fulfill any remaining obligations of
17 the Liquidating Trustee pursuant to the Liquidating Trust Agreement).

18 **ll. Duration and Termination of the Liquidating Trust**

19 The Liquidating Trust shall become effective upon the Effective Date of the Plan, pursuant to
20 the terms of the Liquidating Trust Agreement. Thereupon, the Liquidating Trust shall remain and

Payment will be solely governed by the Liquidating Trust Agreement and the Plan.

12 with the Plan and the Liquidating Trust Agreement.

13 The Court shall retain jurisdiction over any objections to claims brought by the Liquidating
14 Trust following the Effective Date. Nothing contained in the Plan shall constitute a waiver or release
15 by the Liquidating Trust of any rights of setoff or recoupment, or of any defense, a creditor may have
16 with respect to any Claim. The Liquidating Trust may withhold from property to be distributed under
17 the Plan and will place in reserve a sufficient amount of cash to be distributed on account of claims
18 that are Disputed and have not been allowed as of the date of distribution to creditors of any particular
19 Class as if such Claims were allowed in full.

20 **6. Books and Records of the Debtor**

21 Unless applicable non-bankruptcy law permits the distribution or destruction of certain of the
22 Debtor's business records at an earlier date, or the Debtor or the Liquidating Trust obtains an order
23 of the Bankruptcy Court providing otherwise, subject to the terms and conditions of the Liquidating
24 Trust Agreement governing the books and records of the Liquidating Trust, the Liquidating Trustee
25 shall have the responsibility of storing and maintaining the Debtor's books and records until one year
26 after the Effective Date, after which time such books and records may be abandoned or destroyed
27 without further Bankruptcy Court order, unless applicable non-bankruptcy law requires the retention
28

1 and maintenance of any such books and records for a longer period, in which instance the Liquidating
2 Trustee shall retain such books and records for at least the minimum period required by applicable
3 non-bankruptcy law. For purposes of this Section, books and records include computer generated or
4 computer-maintained books and records and computer data, as well as electronically generated or

6 in possession of third parties and all of the claims and rights of the Debtor and in and to its books and
7 records, wherever located.

8 **7. Corporate Action**

9 Upon the Effective Date, all actions contemplated under the Plan, regardless of whether taken
10 before, on or after the Effective Date, shall be deemed authorized and approved in all respects. All
11 matters provided for in the Plan or deemed necessary or desirable by the Plan Proponents or the
12 Liquidating Trustee before, on, or after the Effective Date involving the corporate structure of the
13 Debtor or Liquidating Trust, and any corporate action required by the Debtor or the Liquidating Trust
14 in connection with the Plan or corporate structure of the Debtor or Liquidating Trust, shall be deemed
15 to have occurred and shall be in effect on the Effective Date, without any requirement of further
16 action by Holders of Interests, directors, managers, members or officers of the Debtor. Before, on, or
17 after the Effective Date, the Liquidating Trustee, on behalf of the Liquidating Trust, the Debtor and
18 the Estate, as applicable, shall be authorized to issue, execute, and deliver the agreements, documents,

25 execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements
26 or documents and take such actions as may be necessary or appropriate to effectuate, implement and
27 further evidence the terms and conditions of the Plan and the Liquidating Trust Agreement in the
28

1 name of and on behalf of the Debtor, the Liquidating Trust and Estate, as applicable, without the need
2 for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

3 **9. Procedures for Disputed, Contingent, or Unliquidated Claims**

4 **a. Objections to Claims**

5 The Liquidating Trustee shall be entitled to object to any and all Claims against the Estate,
6 subject to the time limitations set forth in the Plan.

7 **b. No Distributions Pending Allowance of Claims**

8 Notwithstanding any other provision of the Plan, if any portion of a Claim is a Disputed Claim,
9 no payment or distribution provided under the Plan shall be made on account of such Disputed Claim
10 unless and until such Disputed Claim becomes an Allowed Claim.

11 **c. Distributions Upon Allowance of Disputed Claims**

12 The Holder of a Disputed Claim that becomes an Allowed Claim shall receive a distribution(s)
13 in Cash, subject to the terms of the Plan and the Liquidating Trust Agreement. Such distributions
14 shall be made in accordance with the Plan based upon the distributions that would have been made
15 to such Holder under the Plan if the Disputed Claim had been an Allowed Claim on or prior to the
16 Effective Date. No Holder of a Disputed Claim shall have any claim against the Liquidating Trust
17 Assets with respect to such Disputed Claim until such Disputed Claim becomes an Allowed Claim,
18 and no Holder of a Disputed Claim shall have any right to interest on such Disputed Claim unless
19 otherwise provided in the Plan.

20 **d. Resolution of Disputed Claims**

21 Unless otherwise ordered by the Bankruptcy Court after notice and a hearing and subject to
22 the terms of the Liquidating Trust Agreement, following the Effective Date, the Liquidating Trustee
23 shall have the right to the exclusion of all others (except as to applications for allowances of
24 compensation and reimbursement of expenses under §§ 328(a), 330, and 503 of the Bankruptcy Code)
25 to make and file objections to claims and shall serve a copy of each objection upon the Holder of the
26 Claim to which the objection is made as soon as practicable, but in no event later than two hundred
27 and seventy (270) days after the Effective Date (subject, however, to the right of the Liquidating
28

1 Trustee to seek an extension of time to file such objections by seeking such extension with approval
2 from the Bankruptcy Court). After the expiration of the 270-day period for the Liquidating Trustee
3 to file objections to claims (and the expiration of any extended period requested and granted by the
4 Liquidating Trustee), and the final resolution of any then-pending claims objections, all creditor
5 claims shall be deemed fixed.

6 **e. Estimation**

7 The Liquidating Trustee may at any time request that the Bankruptcy Court estimate any
8 contingent, unliquidated or disputed Claim pursuant to § 502(c) of the Bankruptcy Code regardless
9 of whether the Debtor of the Liquidating Trust previously objected to such Claim, and the Bankruptcy
10 Court shall retain jurisdiction to estimate any claim at any time during litigation concerning any
11 objection to any claim, including, without limitation, during the pendency of any appeal relating to
12 any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or
13 disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or
14 a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated
15 amount constitutes a maximum limitation on the amount of such Claim, the Liquidating Trustee may
16 pursue supplementary proceedings to object to the allowance of such Claim. All of the
17 aforementioned objection, estimation and resolution procedures are intended to be cumulative and
18 not exclusive of one another. On and after the Effective Date, Claims that have been estimated may
19 be compromised, settled, withdrawn or otherwise resolved subsequently, without further order of the
20 Bankruptcy Court.

21 **10. Distributions to Be Made Pursuant to the Plan**

22 Distributions under the Plan on Claims that are Allowed on the Effective Date will be made
23 by the Trustee in the manner provided by the Plan. The Liquidating Trust Agreement will govern the
24 procedures for distributions made from the Liquidating Trust pursuant to the Plan.

25 Distributions made by the Trustee under the Plan may be made by check drawn on a domestic
26 bank or by wire transfer. Except as otherwise agreed to by the Trustee in writing, distributions to be
27 made to Holders of Claims Allowed on or before the Effective Date, pursuant to the Plan, may be
28

delivered by regular mail, postage prepaid, to the address shown in the Debtor's schedules, as amended or, if a different address is stated in a Proof of Claim filed with the Bankruptcy Court, to such address. The Trustee may also make distributions to consumer clients by electronic means if he determines that doing so is more reliable than other methods for making payment.

Checks issued by the Trustee to pay Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof ("Claiming Period"). Requests for reissuance of any check shall be made to the Trustee by the Holder of the Allowed Claim to whom such check originally was issued, prior to the expiration of the Claiming Period. After such date, the unclaimed property held on account of such voided check or such claim shall vest in the Liquidating Trust free and clear of all claims and interests and be applied in accordance with the terms of the Plan.

4 any Claims by the Trustee, Estate, the Committee, any Holders, or any other Entity; (2) prejudice in
5 any manner the rights of the Trustee, Estate, the Committee, any Holders, or any other Entity; or
6 (3) constitute an admission, acknowledgment, offer or undertaking by the Trustee, Estate, the
7 Committee, any Holders, or any other Entity in any respect. Notwithstanding the foregoing, the failure
8 of Confirmation to occur shall not require or result in the voiding, rescission, reversal, or unwinding
9 of the Sale Order.

10 **12. Executory Contracts and Unexpired Leases**

11 Any executory contracts or unexpired leases (i) which have not expired by their own terms
12 on or prior to the Effective Date, or (ii) which have not been assumed or assigned or rejected with the
13 approval of the Court or pursuant to procedure established by order of the Court shall be deemed
14 rejected by the Estate on the Effective Date. A schedule of all executory contracts and/or unexpired
15 leases to be assumed/rejected upon confirmation of the Plan shall be included as a Plan Supplement.

16 The entry of the Confirmation Order by the Court shall constitute approval of such assumption
17 and/or rejection as appropriate pursuant to 11 U.S.C. §§ 365(a) and 1123(b)(2).

18 Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with
19 respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to
20 the Plan or the Confirmation Order, if any, must be filed with the Bankruptcy Court within thirty (30)
21 days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the
22 Confirmation Order) approving such rejection, (2) the effective date of such rejection (or deemed
23 rejection), or (3) the Effective Date. Any Claims arising from the rejection of an Executory Contract
24 or Unexpired Lease pursuant to the Plan or Confirmation Order not filed with the Bankruptcy Court
25 within such time will be automatically Disallowed, forever barred from assertion, and shall not be
26 enforceable against the Debtor, the Liquidating Trust and the Estate, or their property without the
27 need for any objection by the Liquidating Trustee or further notice to, or action, order, or approval of
28

1 the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory
2 Contract or Unexpired Lease shall be deemed fully satisfied and released, notwithstanding anything
3 in the Schedules or a Proof of Claim to the contrary. For the avoidance of doubt, nothing provided
4 herein shall extend or modify any previously established deadline to file a claim arising from the
5 rejection of an Executory Contract or Unexpired Lease previously rejected by the Liquidating Trustee
6 or the Debtor. To the extent any Claims are filed based on rejection of executory contracts or
7 unexpired leases, such Claims shall be treated as a General Unsecured Claims in Class 3A of the Plan.

8 **13. Cure of for Executory Contracts and Unexpired Leases Assumed (or Assumed**
9 **and Assigned)**

10 Any cure obligations under each Executory Contract and Unexpired Lease to be assumed (or
11 assumed and assigned) pursuant to the Plan shall be satisfied, pursuant to § 365(b)(1) of the
12 Bankruptcy Code, by performance or payment of the default amount in Cash on or after the Effective
13 Date, subject to the limitation described below, or on such other terms as the parties to such Executory
14 Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the cure
15 obligation, (2) the ability of the Debtor, the Liquidating Trustee or any assignee to provide “adequate
16 assurance of future performance” (within the meaning of § 365 of the Bankruptcy Code) under the
17 Executory Contract or Unexpired Lease to be assumed (or assumed and assigned), or (3) any other
18 matter pertaining to assumption (or assumption and assignment) or the cure obligations required by
19 § 365(b)(1) of the Bankruptcy Code, such dispute shall be determined either (x) by agreement of the
20 parties to such dispute or (y) following the entry of a Final Order or orders resolving the dispute and
21 approving the assumption (or assumption and assignment).

22 At least fourteen (14) days prior to the Confirmation Hearing, and except as to any Executory
23 Contracts or Unexpired Leases that have been assumed or rejected by a separate order of the Court,
24 the Liquidating Trustee shall distribute, or cause to be distributed to the applicable counterparties and
25 their known counsel, notices of proposed assumption (or assumption and assignment), proposed cure,
26 procedures for objecting thereto, and procedures for resolution by the Bankruptcy Court of any related
27 disputes. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed
28

1 assumption (or assumption and assignment) or related cure amount must be filed, served, and actually
2 received by the Debtors at least three (3) days prior to the Confirmation Hearing. Any counterparty
3 to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption
4 (or assumption and assignment) or cure amount will be deemed to have assented to such assumption
5 (or assumption and assignment) or cure. To the extent that the Liquidating Trustee seek to assume
6 (or assume and assign) an Executory Contract or Unexpired Lease pursuant to the Plan, the
7 Liquidating Trustee will (in the applicable notice and/or Schedule): (a) identify the assignee; and (b)
8 provide “adequate assurance of future performance” (within the meaning of § 365 of the Bankruptcy
9 Code) under the applicable Executory Contract or Unexpired Lease to be assumed (or assumed and
10 assigned), which adequate assurance information will be provided with the notices of proposed
11 assumption (or assumption and assignment).

12 Subject to cure or adequate assurance of prompt cure, as set forth in § 365(b) of the
13 Bankruptcy Code, assumption (or assumption and assignment) of any Executory Contract or
14 Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of
15 any Cure Obligations or defaults, whether monetary or nonmonetary, including defaults of provisions
16 restricting the change in control or ownership interest composition or other bankruptcy-related
17 defaults, arising under any assumed (or assumed and assigned) Executory Contract or Unexpired
18 Lease at any time prior to the effective date of assumption (or assumption and assignment). Subject
19 to full satisfaction of Cure Obligations, any Proofs of Claim filed with respect to an Executory
20 Contract or Unexpired Lease that has been assumed (or assumed and assigned) shall be deemed
21 Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy
22 Court.

23 The Trustee or the Liquidating Trustee may settle any Cure Claim dispute without any further
24 notice to or action, order, or approval of the Bankruptcy Court; provided that notice of such settlement
25 will be distributed to known counsel of the applicable counterparty by electronic mail.

28

1 **14. Preexisting Obligations to the Debtors under Executory Contracts and**
2 **Unexpired Leases.**

3 Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise
4 shall not constitute a termination of preexisting obligations owed to the Debtor or the Estate, as
5 applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any
6 non-bankruptcy law to the contrary, the Liquidating Trustee expressly reserves and does not waive
7 any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued
8 maintenance obligations on goods or services previously purchased by the Debtor contracting from
9 non-debtor counterparties to rejected Executory Contracts or Unexpired Leases.

10 **15. Retention of Jurisdiction**

11 After confirmation of the Plan and occurrence of the Effective Date, in addition to any
12 jurisdiction which exists in any other court, the Bankruptcy Court will retain such jurisdiction as is
13 legally permissible including for the following purposes:

14 i. To resolve any and all disputes regarding the operation, interpretation , or enforcement
15 of the Plan (including Plan Supplements), Confirmation Order, and Liquidating Trust Agreement;

16 ii. To determine the allowability, classification, or priority of Claims upon objection by
17 the Trustee, the Liquidating Trustee, or any other parties in interest with standing to bring such
18 objection or proceeding and to consider any objection to claim whether such objection is filed before
19 or after the Effective Date;

20 iii. To determine the extent, validity, perfection, and priority of any Lien asserted against
21 property of the Debtor, property of the Debtor's Estate, and property of the Liquidating Trust;

22 iv. To construe and take any action to enforce the Plan, the Plan Confirmation Order, and
23 any other order of the Bankruptcy Court, issue such orders as may be necessary for the
24 implementation, execution, performance, and consummation of the Plan and the Confirmation Order,
25 and all matters referred to in the Plan and the Plan Confirmation Order, and to determine all matters
26 that may be pending before the Bankruptcy Court in this case on or before the Effective Date with
27 respect to any person or entity related thereto;

1 v. To determine (to the extent necessary) any and all applications for allowance of
2 compensation and reimbursement of expenses of professionals for the period on or before the
3 Effective Date;

4 vi. To determine any request for payment of administrative expenses of the Estate;

5 vii. To determine motions for the rejection, assumption, or assignment of executory
6 contracts or unexpired leases filed before the Effective Date and the allowance of any claims resulting
7 therefrom;

8 viii. To determine all applications, motions, adversary proceedings, contested matters, and
9 any other litigated matters instituted during the pendency of the Bankruptcy Case, whether before,
10 on, or after the Effective Date including Causes of Action, and the Retained Actions. The Liquidating
11 Trustee shall have the right and standing to commence any Causes of Action after the Effective Date
12 and to continue with the prosecution of any Causes of Action commenced by the Debtor prior to the
13 Effective Date including, without limitation, the Retained Actions;

14 ix. To determine such other matters and for such other purposes as may be provided in
15 the Plan Confirmation Order;

16 x. To modify the Plan, under § 1127 of the Bankruptcy Code, in order to remedy any
17 apparent defect or omission in the Plan or to reconcile any inconsistency in the Plan so as to carry out
18 its intent and purpose;

19 xi. Except as otherwise provided in the Plan or the Plan Confirmation Order, to issue
20 injunctions, to take such other actions or make such other orders as may be necessary or appropriate
21 to restrain interference with the Plan or the Confirmation Order, or the execution or implementation
22 by any person or entity of the Plan or the Confirmation Order;

23 xii. To issue such orders in aid of consummation of the Plan or the Confirmation Order,
24 notwithstanding any otherwise applicable nonbankruptcy law, with respect to any person or entity, to
25 the fullest extent authorized by the Bankruptcy Code or Bankruptcy Rules; and

26 xiii. To enter a final decree closing this Bankruptcy Case.

27 xiv. To interpret and enforce the terms of the Plan, the Plan Supplement, the Confirmation
28

1 Order, the Liquidating Trust Agreement, and such other pleadings, documents and exhibits related to
2 the Plan.

3 xv. To determine such other matters and for such other purposes as may be provided in
4 the Confirmation Order.

5 **16. Reservation of Rights**

6 Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the
7 Assumed Executory Contracts and Unexpired Leases Schedule, nor anything contained in the Plan,
8 shall constitute an admission by the Plan Proponents or the Liquidating Trustee that any such contract
9 or lease is in fact an Executory Contract or Unexpired Lease or that the Debtor or the Estate has any
10 liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or
11 unexpired at the time of assumption or rejection, the Plan Proponents or the Liquidating Trustee shall
12 have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of
13 such contract or lease under the Plan.

14 **C. Effect of Confirmation of the Plan**

15 **1. Discharge**

16 The Debtor will not receive a discharge under the Plan pursuant to and in accordance with the
17 provisions of § 1141 of the Bankruptcy Code because the Plan contemplates and will result in a sale
18 or liquidation of all or substantially all of the property of the Debtor's Estate.

19 **2. No Revesting of Estate Property in the Debtor**

20 All Property of the Estate will remain Property of the Estate and/or the Liquidating Trust free
21 and clear of all claims and interests except as provided in the Plan. No Estate assets shall revert to the
22 Debtor as a result of confirmation. The Liquidating Trustee shall be the entity responsible for carrying
23 out the terms of the Plan and to comply with any orders of the Court regarding the Plan or the assets
24 of the Estate, subject to the terms of the Liquidating Trust Agreement and the Confirmation Order.

25 **3. No Liability for Solicitation or Participation**

26 As specified in § 1125(e) of the Bankruptcy Code, persons that solicit acceptances or
27 rejections of the Plan and/or that participate in the offer, issuance, sale, or purchase of securities
28

1 offered or sold under the Plan, in good faith and in compliance with the applicable provisions of the
2 Bankruptcy Code, shall not be liable on account of such solicitation or participation, for violation of
3 any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the
4 Plan or the offer, issuance, sale, or purchase of securities.

5 **4. Exculpation; Limitation of Liability**

6 To the maximum extent permitted by law, neither the Trustee, the Liquidating Trustee, the
7 Estate, the Committee, the Post-Confirmation Oversight Committee, nor any of their employees,
8 officers, directors, shareholders, agents, members, representatives, or the professionals employed or
9 retained by any of them, whether or not by Court order shall have or incur liability to any person or
10 entity for an act taken or omission made in good faith in connection with or related to the formulation
11 and implementation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other
12 agreement or document created in connection therewith, the solicitation of acceptances for or
13 confirmation of the Plan, or the consummation and implementation of the Plan and the transactions
14 contemplated therein; provided, however, that the foregoing exculpation shall not extend to any act
15 or omission constituting fraud, willful misconduct, or gross negligence by the foregoing parties. Each
16 of the exculpated persons set forth in this Section shall in all respects be entitled to reasonably rely
17 on the advice of counsel with respect to its duties and responsibilities under the Plan. Notwithstanding
18 the foregoing, nothing contained in the Plan shall effectuate an exculpation, release, or injunction in
19 favor of the Debtor's employees, officers, directors, shareholders, agents, members, representatives,
20 Affiliates, alter egos, or the professionals employed or retained by any of them, and all rights and
21 Causes of Action held by the Estate against any of the foregoing are expressly preserved by the Plan.

22 **5. Preservation of all Litigation and Causes of Action**

23 After confirmation of the Plan, the Liquidating Trust shall retain all rights to continue,
24 commence and pursue, as appropriate, any and all claims or Causes of Action, including those
25 identified in the Plan Supplement, and objections to Claims, whether arising before or after the date
26 on which the Debtor filed its petition, in any court or other tribunal including, without limitation, in
27 an adversary proceeding filed in the Bankruptcy Case. The failure to list any potential or existing
28

1 claims or causes of action shall not limit the rights of the Liquidating Trustee to pursue any claims or
2 causes of action not listed or identified. After the Effective Date, the Liquidating Trustee shall have
3 the absolute authority to prosecute, waive, adjust, or settle any and claims, including all Causes of
4 Action, without the need for approval by the Court, subject to the terms of the Liquidating Trust
5 Agreement.

6 Unless a claim or Cause of Action against a creditor or other entity is expressly waived,
7 relinquished, released, compromised, or settled in the Plan or any other Final Order of the Court, the
8 Estate expressly reserves such claim or Cause of Action for later adjudication (including, without
9 limitation, claims and causes of action not specifically identified or which the Debtor or its Estate
10 may presently be unaware or which may arise or exist by reason of additional facts or circumstances
11 unknown to the Plan Proponents, or the Estate at this time or facts or circumstances which may change
12 or be different from those which the Plan Proponents or the Estate now believe to exist). No
13 preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel,
14 issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable, or otherwise) or laches shall
15 apply to such claims, or Causes of Action upon or after the confirmation or consummation of the Plan
16 based on the Disclosure Statement, the Confirmation Order, except where such claims and Causes of
17 Action have been explicitly released in the Plan. In addition, the Liquidating Trust, and the Estate
18 expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtor
19 is a defendant or an interested party, against any person or entity, including without limitation, the
20 plaintiff or co-defendant in such lawsuits.

21 Delivery (by any means) of the Plan or the Disclosure Statement approved by the Court to
22 any person whom the Debtor and/or Estate has incurred an obligation, or who has received a transfer
23 of money or property of the Debtor, or who has transacted business with the Debtor or the Estate shall
24 constitute actual notice that such obligation, transfer, or transaction may be reviewed by the Trustee
25 subsequent to the approval by the Court of the Plan and may, if appropriate, be the subject of an
26 action after the approval by the Court of the Plan, whether or not (i) such person has filed a proof of
27 claim in this Case; (ii) such person's proof of claim has been the subject of an objection; (iii) such
28

1 person's claim was included in the schedules; or (iv) such person's scheduled claim has been
2 identified by the Trustee as disputed, contingent, or unliquidated.

3 **6. Modification of the Plan**

4 The Plan Proponents may modify the Plan at any time before confirmation. However, the
5 Bankruptcy Court may require a new disclosure statement and/or re-voting on the Plan if the Plan
6 Proponents materially modifies the Plan before confirmation. The Liquidating Trustee may seek to
7 modify the Plan at any time after confirmation of the Plan so long as (1) the Plan has not been
8 substantially consummated, (2) such modification is approved by the Post-Confirmation Oversight
9 Committee, or (3) the Bankruptcy Court authorizes the proposed modifications after notice and a
10 hearing.

11 **7. Post-Confirmation Status Reports**

12 Within 120 days of the entry of the order confirming the Plan, the Liquidating Trustee shall
13 file a status report with the Court explaining what progress has been made toward consummation of
14 the confirmed Plan. The status report shall be served on the United States Trustee and those parties
15 who have requested special notice. Further status reports shall be filed approximately every four
16 months and served on the same parties until entry of a final decree or otherwise ordered by the Court.

17 **8. Post-Confirmation U.S. Trustee Fees**

18 Upon the Effective Date, the Trustee and Liquidating Trustee shall be responsible for timely
19 payment of quarterly fees due and payable, if any, until the Case is closed, to the extent required by
20 § 1930(a)(6) of the Judicial Code. The Liquidating Trustee may, subject to the Liquidating Trust
21 Agreement, seek to close the case post-Effective Date. Unless otherwise adjudicated by the Court,
22 distributions made by the Liquidating Trustee on behalf of and from the Liquidation Trust shall not
23 be subject to quarterly fees.

24 **9. Risk Factors**

25 The risk factors with respect to the Plan include, but are not limited to, the following: (1) the
26 financial projections set forth in the Disclosure Statement may not be realized thereby causing
27 inability to make Plan payments; (2) the uncertainty associated with the "earn-out" under the Sale
28

Transaction; (3) the risk of business and/or economic downturn; (4) the costs and uncertainty of potential litigation; and (5) non-bankruptcy law regulations.

10. Tax Consequences of the Plan

THE FOLLOWING IS INTENDED TO BE ONLY A SUMMARY OF SELECTED FEDERAL AND STATE INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH, AND RECEIPT OF TAX ADVICE FROM, A TAX PROFESSIONAL. THE SELECTED FEDERAL AND STATE TAX CONSEQUENCES THAT ARE DESCRIBED HEREIN AND OTHER FEDERAL, STATE AND LOCAL TAX CONSEQUENCES THAT ARE NOT ADDRESSED HEREIN ARE COMPLEX AND, IN SOME CASES, UNCERTAIN. SUCH TAX CONSEQUENCES MAY ALSO VARY BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF AN ALLOWED CLAIM OR EQUITY INTEREST. ACCORDINGLY, EACH HOLDER OF AN ALLOWED CLAIM OR EQUITY INTEREST IS STRONGLY ADVISED TO CONSULT WITH ITS OWN TAX ADVISOR REGARDING THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES OF THE PLAN. THE BELOW SUMMARY OF TAX CONSEQUENCES IS NOT INTENDED TO BE AND IS NOT TAX ADVICE. THE DEBTORS DO NOT INTEND TO REQUEST A TAX RULING FROM THE INTERNAL REVENUE SERVICE OR ANY OTHER TAXING AUTHORITY WITH RESPECT TO ANY OF THE TAX CONSEQUENCES OF THE PLAN. CONSEQUENTLY, THE INTERNAL REVENUE SERVICE OR ANOTHER TAXING AUTHORITY MAY DISAGREE WITH AND MAY CONTEST ONE OR MORE OF THE TAX CONSEQUENCES DESCRIBED HEREIN TO THE DEBTOR, HOLDERS OF CLAIMS AND HOLDERS OF INTERESTS.

a. Federal Income Tax Consequences to Certain Creditors

i. In General

Generally, a Holder of a Claim should in most, but not all circumstances, recognize gain or loss equal to the difference between the “amount realized” by such Holder in exchange for its Claim and such Holder’s adjusted tax basis in the Claim. The “amount realized” is equal to the sum of the

1 cash and the fair market value of any other consideration received under a plan in respect of a Holder's
2 Claim. The tax basis of a Holder in a Claim will generally be equal to the Holder's cost therefor. To
3 the extent applicable, the character of any recognized gain or loss (e.g., ordinary income, or short-
4 term or long-term capital gain or loss) will depend upon the status of the Holder, the nature of the
5 Claim in the Holder's hands, the purpose and circumstances of its acquisition, the Holder's holding
6 period of the Claim, and the extent to which the Holder previously claimed a deduction for the
7 worthlessness of all or a portion of the Claim. Generally, if the Claim is a capital asset in the Holder's
8 hands, any gain or loss realized will generally be characterized as capital gain or loss, and will
9 constitute long-term capital gain or loss if the Holder has held such Claim for more than one year.

10 A creditor who received Cash in satisfaction of its Claims may recognize ordinary income or
11 loss to the extent that any portion of such consideration is characterized as accrued interest. A creditor
12 who did not previously include in income accrued but unpaid interest attributable to its Claim, and
13 who receives a distribution on account of its Claim pursuant to the Plan, will be treated as having
14 received interest income to the extent that any consideration received is characterized for U.S. federal
15 income tax purposes as interest, regardless of whether such creditor realizes an overall gain or loss
16 as a result of surrendering its Claim. A creditor who previously included in its income accrued but
17 unpaid interest attributable to its Claim should recognize an ordinary loss to the extent that such
18 accrued but unpaid interest is not satisfied, regardless of whether such creditor realizes an overall
19 gain or loss as a result of the distribution it may receive under the Plan on account of its Claim.

20 Under the Plan, the Holders of certain Claims will likely receive only a partial distribution of
21 their Allowed Claims. As discussed herein, Holders of Allowed General Unsecured Claims will
22 receive respective Trust Beneficial Interests, which is discussed further below. Whether the
23 applicable Holder of such Claims will recognize a loss or any other tax treatment will depend upon
24 facts and circumstances that are specific to the nature of the Holder and its Claims. Creditors should
25 consult their own tax advisors.

26 **ii. Non-United States Persons**

27 A Holder of a Claim that is a Non-U.S. Person generally will not be subject to U.S. federal
28

1 income tax with respect to property (including money) received in exchange for such Claim pursuant
2 to the Plan, unless (i) such Holder is engaged in a trade or business in the United States to which
3 income, gain or loss from the exchange is “effectively connected” for United States federal income
4 tax purposes, or (ii) if such Holder is an individual, such Holder is present in the United States for
5 183 days or more during the taxable year of the exchange and certain other requirements are met.

6 **iii. Tax Consequences in Relation to the Liquidating Trust**

7 As of the Effective Date, the Liquidating Trust will be established for the benefit of the
8 Holders of Allowed General Unsecured Claims. The tax consequences of the Plan in relation to the
9 Liquidating Trust and the Trust Beneficiaries are subject to uncertainties due to the complexity of the
10 Plan and the lack of interpretative authority regarding certain changes in the tax law.

11 Allocations of taxable income of the Liquidating Trust (other than taxable income allocable
12 to the Liquidating Trust’s claims reserves) among holders of Claims will be determined by reference
13 to the manner in which an amount of cash equal to such taxable income would be distributed (were
14 such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution,
15 the Liquidating Trust had distributed all of its assets (valued at their tax book value) to the Trust
16 Beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and
17 concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust
18 will be allocated by reference to the manner in which an economic loss would be borne immediately
19 after a liquidating distribution of the remaining trust assets.

20 The tax book value of the trust assets for this purpose will equal their fair market value on the
21 Effective Date, adjusted in accordance with tax accounting principles prescribed by the Tax Code,
22 applicable Treasury Regulations, and other applicable administrative and judicial authorities and
23 pronouncements. Uncertainties with regard to federal income tax consequences of the Plan may arise
24 due to the inherent nature of estimates of value that will impact tax liability determinations.

25 Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary
26 (including the receipt of an IRS private letter ruling if the Liquidating Trustee so requests one, or the
27 receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee),
28

1 the Liquidating Trustee may (a) elect to treat any trust assets allocable to, or retained on account of,
2 Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation Section 1.468B-
3 9, and (b) to the extent permitted by applicable law, report consistently with the foregoing for state
4 and local income tax purposes. Accordingly, any reserve for Disputed Claims will be subject to tax
5 annually on a separate entity basis on any net income earned with respect to the trust assets in such
6 reserves, and all distributions from such reserves will be treated as received by holders in respect of
7 their Claims as if distributed by the Debtor. All parties (including, without limitation, the Liquidating
8 Trustee and the holders of beneficial interests in the Liquidating Trust) will be required to report for
9 tax purposes consistently with the foregoing.

10 The Liquidating Trust is intended to qualify as a liquidating trust for federal income tax
11 purposes. In general, a liquidating trust is not a separate taxable entity but rather is treated for federal
12 income tax purposes as a “grantor” trust (i.e., a pass-through entity). The IRS, in Revenue Procedure
13 94-45, 1994.28 I.R.B. 124, set forth the general criteria for obtaining an IRS ruling as to the grantor
14 trust status of a liquidating trust under a chapter 11 plan. The Liquidating Trust has been structured
15 with the intention of complying with such general criteria. Pursuant to the Plan and Liquidating Trust
16 Agreement, and in conformity with Revenue Procedure 94-45, *supra*, all parties (including the
17 Liquidating Trustee and the Trust Beneficiaries) are required to treat for federal income tax purposes,
18 the Liquidating Trust as a grantor trust of which the holders of the applicable Allowed Claims are the
19 owners and grantors. While the following discussion assumes that the Liquidating Trust would be so
20 treated for federal income tax purposes, no ruling has been requested from the IRS concerning the
21 tax status of the Liquidating Trust as a grantor trust. Accordingly, there can be no assurance that the
22 IRS would not take a contrary position to the classification of the Liquidating Trust as a grantor trust.
23 If the IRS were to challenge successfully such classification, the federal income tax consequences to
24 the Liquidating Trust and the beneficiaries thereof could materially vary from those discussed herein.

25 In general, each creditor who is a beneficiary of the Liquidating Trust will recognize gain or
26 loss in an amount equal to the difference between (i) the “amount realized” by such Trust Beneficiary
27 in satisfaction of its applicable Allowed Claim, and (ii) such Trust Beneficiary’s adjusted tax basis in
28

1 such Claim. The “amount realized” by a Trust Beneficiary will equal the sum of Cash and the
2 aggregate fair market value of the property received by such party pursuant to the Plan (such as a
3 Trust Beneficiary’s undivided beneficial interest in the assets transferred to the Liquidating Trust).
4 Where gain or loss is recognized by a beneficiary in respect of its Allowed Claim, the character of
5 such gain or loss (i.e., long-term or short-term capital, or ordinary income) will be determined by a
6 number of factors including the tax status of the party, whether the Claim constituted a capital asset
7 in the hands of the party and how long it had been held, whether the Claim was originally issued at a
8 discount or acquired at a market discount and whether and to what extent the party had previously
9 claimed a bad debt deduction in respect of the Claim.

10 After the Effective Date, any amount that a creditor receives as a distribution from the
11 Liquidating Trust in respect of its Trust Beneficial Interest should not be included, for federal income
12 tax purposes, in the party’s amount realized in respect of its Allowed Claim, but should be separately
13 treated as a distribution received in respect of such party’s Trust Beneficial Interest.

14 In general, a beneficiary’s aggregate tax basis in its undivided beneficial interest in the assets
15 transferred to the Liquidating Trust will equal the fair market value of such undivided beneficial
16 interest as of the Effective Date and the Trust Beneficiary’s holding period in such assets will begin
17 the day following the Effective Date. Distributions to any Trust Beneficiary will be allocated first to
18 the original principal portion of the Trust Beneficiary’s Allowed Claim as determined for federal tax
19 purposes, and then, to the extent the consideration exceeds such amount, to the remainder of such
20 Claim. However, there is no assurance that the IRS will respect such allocation for federal income
21 tax purposes.

22 For all federal income tax purposes, all parties (including the Liquidating Trustee and the
23 Trust Beneficiaries) will treat the transfer of assets to the Liquidating Trust, in accordance with the
24 terms of the Plan and Liquidating Trust Agreement, as a transfer of those assets directly to the Holders
25 of the applicable Allowed Claims followed by the transfer of such assets by such Holders to the
26 Liquidating Trust. Consistent therewith, all parties will treat the Liquidating Trust as a grantor trust
27 of which such Holders are to be owners and grantors. Thus, such Holders (and any subsequent Trust
28

Beneficiaries) will be treated as the direct owners of an undivided beneficial interest in the assets of the Liquidating Trust for all federal income tax purposes. Accordingly, each holder of a Trust Beneficial Interest will be required to report on its federal income tax return(s) the Holder's allocable share of all income, gain, loss, deduction or credit recognized or incurred by the Liquidating Trust.

The Liquidating Trust's taxable income will be allocated to the Trust Beneficiaries in accordance with each such Holder's Pro Rata share. The character of items of income, deduction and credit to any Holder and the ability of such Holder to benefit from any deductions or losses may depend on the particular situation of such Holder.

The federal income tax reporting obligation of a Trust Beneficiary is not dependent upon the Liquidating Trust distributing any cash or other proceeds. Therefore, a Trust Beneficiary may incur a federal income tax liability regardless of the fact that the Liquidating Trust has not made, or will not make, any concurrent or subsequent distributions to the Holder. If a Holder incurs a federal tax liability but does not receive distributions commensurate with the taxable income allocated to it in respect of its Trust Beneficial Interests, the Holder may be allowed a subsequent or offsetting loss.

The Liquidating Trustee will file with the IRS returns for the Liquidating Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a). The Liquidating Trust will also send to each Trust Beneficiary a separate statement setting forth the Holder's share of items of income, gain, loss, deduction or credit and will instruct the Holder to report such items on its federal income tax return. For the avoidance of doubt, the Liquidating Trustee shall file with the IRS and other taxing authorities all outstanding and final returns for the Debtor.

Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, could also change the federal income tax consequences of the Plan and the transactions contemplated thereunder.

iv. Information Reporting and Withholding Backup

Distributions pursuant to the Plan will be subject to any applicable federal income tax reporting and withholding. The IRC imposes "backup withholding" on certain "reportable" payments to certain taxpayers, including payments of interest. Under the IRC's backup withholding rules, a

holder of a Claim may be subject to backup withholding with respect to distributions or payments made pursuant to the Plan, unless the Holder (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates this fact or (b) provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional federal income tax, but merely an advance payment that may be refunded to the extent it results in an overpayment of income tax. A Holder of a Claim may be required to establish an exemption from backup withholding or to make arrangements with respect to the payment of backup withholding.

THE FOREGOING SUMMARY HAS BEEN PROVIDED FOR INFORMATIONAL PURPOSES ONLY. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS CONCERNING THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

11. Final Decree

Once this Estate has been fully administered, as referred to in Bankruptcy Rule 3022, the Trustee or Liquidating Trustee will file a motion with the Bankruptcy Court to obtain a final decree to close the Bankruptcy Case.

IV.

CONFIRMATION REQUIREMENTS

A. Liquidation Analysis

With respect to each Impaired Class of Claims and Equity Interests, the Bankruptcy Code requires that each Holder of an Impaired Claim or Equity Interest either (i) accepts the Plan, or (ii) receives or retains under the Plan property of a value, as of the Effective Date of the Plan, that is not less than the value such Holder would receive or retain if the Debtor was liquidated under chapter 7 of the Bankruptcy Code. This analysis requires the Bankruptcy Court to determine what the Holders of Allowed Claims or Equity Interests in each Impaired Class would receive from the liquidation of the Debtors' Assets in the context of a chapter 7 liquidation case.

1 The liquidation analysis (the “Liquidation Analysis”) of the Debtor, as prepared by the Plan
2 Proponents, will be filed as a supplement to this Disclosure Statement. As reflected in the Liquidation
3 Analysis, if the Bankruptcy Case was converted to a case under chapter 7 of the Bankruptcy Code,
4 liquidation under chapter 7 would result in the incurrence of administrative costs in excess of those
5 to be incurred under the Plan because a chapter 7 trustee that would be appointed in the Bankruptcy
6 Case would likely seek to retain counsel and potentially other professionals that are completely
7 unfamiliar with the Debtor, the significant complexities of this Bankruptcy Case and the pending
8 litigation, and remaining assets and liabilities. The appointment of another group of professionals at
9 this stage of the Bankruptcy Case, in addition to the Professionals in the bankruptcy Case, would
10 increase administrative claims including additional professional fees. Also, a new time period for the
11 filing of Claims would commence under FRBP 1019(2), possibly resulting in the filing of additional
12 Claims against the Estate. Conversion of the Bankruptcy Case to a case under chapter 7, and the
13 appointment of a trustee, for administration of the Estate could also delay the prosecution of Causes
14 of Action and the distributions to creditors while the chapter 7 trustee and new professionals
15 familiarize themselves with the Bankruptcy Case and Causes of Action.

16 On the other hand, under the Plan, the Debtor contemplates an orderly administration and
17 winding down of the Estate by parties that are already familiar with the Debtor, its assets, and the
18 Debtor’s creditors and liabilities. Such familiarity will allow the Liquidating Trust to complete
19 liquidation of the assets and distribute the proceeds to creditors more efficiently and expeditiously
20 than a chapter 7, while maximizing the value of the assets for the benefit of creditors. In chapter 7
21 liquidation, therefore, it is highly likely that there would be less money available for distribution to
22 certain Holders of Allowed Claims than under the Plan.

23 **B. Feasibility**

24 The Plan cannot be confirmed unless the Court finds that it is “feasible.” In general, there are
25 two elements of feasibility. The first element is whether there will be sufficient funds to make
26 distributions required to be made on the Effective Date, or as soon thereafter as is practicable,
27 including to Holders of Allowed Secured Claims, Allowed Administrative Claims, and Allowed
28

1 Priority Claims. Based upon the Estate holding over \$12.7 million in Cash (projected as of the
2 Effective Date) and the estimated amounts of Allowed Secured Claims, Allowed Administrative
3 Claims, and Allowed Priority Claims, which total approximately \$11.8 million, the Debtors believe
4 that the Estate will have sufficient funds to meet this element of feasibility.

5 Further, the Bankruptcy Code requires that confirmation of a plan is not likely to be followed
6 by the liquidation or the need for further financial reorganization of a debtor, unless such liquidation
7 or reorganization is proposed in such plan. Here, the Plan contemplates that all Assets ultimately will
8 be liquidated, sold, transferred, abandoned, or otherwise disposed of, and all proceeds of the Assets
9 will be utilized to pay creditors. Since no further financial reorganization of the Debtor will be
10 possible or is contemplated and the liquidation of the Debtor is provided for in the Plan, the Plan
11 satisfies this element of feasibility as well.

12 Based on the foregoing, the Plan Proponents believe that the Plan is feasible.

13 **C. Confirmation Request**

14 In the event that all of the applicable requirements of § 1129(a) are met other than
15 § 1129(a)(8), if applicable, the Plan Proponents request confirmation of the Plan notwithstanding the
16 requirements of such paragraph under § 1129(b). If and to the extent applicable, the Plan Proponents
17 will provide further support for Confirmation of the Plan under the “cram down” provisions of
18 § 1129(b) in their brief to be filed in support of the Plan.

As shown above, the Proposed Plan of Liquidation ("POL") is expected to generate the same or a higher recovery to all creditors, including General Unsecured Creditors ("GUC"), than a hypothetical conversion to a Ch 7 liquidation.

It should be noted that this analysis does not yet include the anticipated recoveries on various causes of action and other litigation efforts currently being pursued by the Chapter 11 Trustee, except for certain settlement recoveries expected to be received by the estate by confirmation. The Chapter 11 Trustee believes that these recoveries will be material, and would be benefit GUCs under both the POL and Ch 7 liquidations scenarios equally, however these efforts are too preliminary to assign any potential values to them.

It should also be noted that under a hypothetical liquidation scenario, most payments to creditors are expected to be substantially delayed compared to the timing anticipated under the Proposed POL, the impact of which has not yet been factored in to the above analysis.

Notes to Proposed POL Feasibility Analysis and Hypothetical Ch 7 Liquidation Analysis

Notes to Proposed POL Feasibility Analysis

The Proposed POL Feasibility Analysis assumes a scenario based on the currently proposed Plan of Liquidation ("POL"), including:

- The Bankruptcy Estate continues operating until the assumed Effective Date of Nov 1, 2024, after which operations continue under the structure of the Liquidating Trust (as described in the Disclosure Statement),
- All Super-Priority Administrative Loans are paid per their terms,
- All Ch 11 Professional Fees and Allowed Secured, Administrative, Priority, and 503(b)(9) Claims are to be paid as per the proposed POL, which for purposes of this analysis are assumed to be paid on the Effective Date,
- Fees owed to the Ch 11 Trustee are assumed to be paid on the Effective Date; fees owed to the US Trustee are assumed to be paid quarterly in arrears; fees owed to the Liquidating Trustee are assumed to be paid monthly in arrears, and
- Additional LT Oversight Expenses of \$10k / month are assumed to be incurred during the timeframe of the Liquidating Trust and paid monthly.

Amounts shown for Secured, Administrative, Priority, and 503(b)(9) Claims have been preliminarily estimated based on claims filed through their court-approved bar dates and remain subject to a claims reconciliation process which may result in material adjustments.

- The Chapter 11 Trustee believes the vast majority of Secured Claims are subject to dispute and so for purposes of this analysis, it is assumed that all Secured Claims will be settled for a total of up to \$3 million with any remaining amounts owed being unsecured deficiency claims; this remains subject to ongoing negotiations with such creditors and the above referenced claims reconciliation process.
- For purposes of this analysis, it is assumed that secured creditors will receive \$1 million in cash on the Effective Date, with the ability to receive an additional \$2 million provided certain milestones are met, including the subsequent realization of certain amounts of Additional Sale Proceeds and of Litigation Recoveries. Because this analysis makes very conservative assumptions regarding such realizations, those additional amounts are not included in this presentation. Regardless, those amounts will be available to satisfy Secured Claims if those milestones are in fact met, which the Ch 11 Trustee believes is achievable.

Amounts to operate both the Bankruptcy Estate and the Liquidating Trust include annual tax reporting costs plus other relatively small amounts for insurance, document retention, and other required disbursements.

The Proposed POL Feasibility Analysis assumes a discharge from bankruptcy occurs by the end of the calendar year following the receipt of the last payments of Residual Sale Proceeds from the Buyer. US Trustee fees are projected throughout that timeframe, as well as fees owed to the Liquidating Trustee, which are estimated at 3% of the projected disbursements from the Liquidating Trust.

The Liquidating Trustee is assumed to retain legal professionals to assist with pursuing Litigation Recoveries. It is assumed that any such fees incurred will be less than the Litigation Recoveries themselves. At this time, there are pending settlements of approximately \$2.9 million which are currently targeted to be collected by the Effective Date. Because any additional Litigation Recoveries remain subject to further analysis at this time, neither the inflows nor the outflows of such are included in this analysis, pending further details becoming available.

Notes to Hypothetical Ch 7 Liquidation Analysis

The Hypothetical Ch 7 Liquidation Analysis includes the same basic assumptions as the Proposed POL Feasibility Analysis, including the still-pending analysis of potential Litigation Recoveries (net of any legal costs), with the following exceptions:

- The case is converted to a Ch 7 Liquidation instead of having a POL confirmed, and a Ch 7 Trustee is appointed to pursue the monetization of any remaining assets and to determine the final amounts owed to any creditors in keeping with the bankruptcy code. Potential payments to all creditors and also to the Ch 11 Trustee are accordingly deferred while the Ch 7 Trustee performs such tasks.
